JANNEY MONTGOMERY SCOTT LLC EDWARD D. JONES & CO., L.P. BREAN MURRAY, CARRET & CO. As Representatives of the Several Underwriters Named in Schedule I hereto c/o Janney Montgomery Scott LLC 1801 Market Street Philadelphia, PA 19103

Ladies and Gentlemen:

American States Water Company, a California corporation (the "Company"), proposes, subject to the terms and conditions stated herein, to sell to the several Underwriters named in <u>Schedule I</u> hereto (the "Underwriters"), for whom Janney Montgomery Scott LLC, Edward D. Jones & Co., L.P. and Brean Murray, Carret & Co. are serving as Representatives (the "Representatives"), an aggregate of 1,000,000 of the Company's Common Shares, no par value ("Common Shares"). The 1,000,000 Common Shares to be sold to the Underwriters by the Company are referred to herein as the "Firm Shares." The respective amounts of the Firm Shares to be purchased by the several Underwriters are set forth opposite their names in <u>Schedule I</u> hereto. The Firm Shares shall be offered to the public at a public offering price of \$31.00 per Firm Share (the "Offering Price").

In order to cover over-allotments in the sale of the Firm Shares, the Underwriters may, at the Underwriters' election and subject to the terms and conditions stated herein, purchase ratably in proportion to the amounts set forth opposite their respective names in <u>Schedule I</u> hereto, for the Underwriters' own accounts up to 150,000 additional Common Shares from the Company. Such 150,000 additional Common Shares are referred to herein as the "Optional Shares." If any Optional Shares are purchased, the Optional Shares shall be purchased for offering to the public at the Offering Price and in accordance with the terms and conditions set forth herein. The Firm Shares and the Optional Shares are referred to collectively herein as the "Shares."

In consideration of the mutual agreements contained herein, the Company and the Underwriters, intending to be legally bound, confirm their agreement as follows:

1. <u>Representations and Warranties of the Company</u>. The Company represents and warrants to, and agrees with, the several Underwriters that:

(a) The Company has prepared and filed with the Securities and Exchange Commission (the "SEC"), in accordance with the provisions of the Securities Act of 1933, as amended (the "Act"), and the rules and regulations thereunder (the "Regulations"), a registration statement on Form S-3 (File No. 333-136682), including a prospectus, relating to the Shares. The term "Registration Statement" as used herein means the registration statement (including all exhibits and information incorporated by reference therein) as amended to the date of this Agreement, and includes information (if any) contained in a form of prospectus or prospectus supplement that is deemed retroactively to be part of the Registration Statement, pursuant to Rule 430B under the Act, to be part of the registration statement as of the time specified in Rule 430B. If it is contemplated, at the time this Agreement is executed, that a post-effective amendment to the Registration Statement will be filed and must be declared effective before the offering of the Shares may commence, the term "Registration Statement" as used herein shall mean the Registration Statement as amended by such post-effective amendment. If the Company has filed, or files on or after the date of this Agreement, a registration statement to register Common Shares pursuant to Rule 462(b) under the Act (the "Rule 462(b) Registration Statement"), then any reference herein to the term "Registration Statement" shall be deemed to include such Rule 462(b) Registration Statement. The term "Base Prospectus" shall mean the base prospectus filed as part of the Registration Statement in the form in which it has most recently been filed with the SEC on or prior to the date of this Agreement. The term "Preliminary Prospectus" shall mean any preliminary prospectus supplement relating to the Shares, together with the Base Prospectus, and filed with the SEC pursuant to Rule 424(b) of the Regulations. The term "Statutory Prospectus" shall mean the Preliminary Prospectus, as amended or supplemented, immediately prior to the Initial Sale Time (as defined below), including any document incorporated by reference therein. The term "Prospectus" shall mean the final prospectus supplement relating to the Shares, together with the Base Prospectus, that is first filed pursuant to Rule 424(b) after the effective time of the Registration Statement (the "Effective Time"). The term "Issuer Free Writing Prospectus" shall have the meaning ascribed to it in Rule 433 of the Regulations relating to the Shares, in the form filed or required to be filed with the SEC or, if not required to be filed, in the form retained in the Company's records pursuant to Rule 433(g) of the Regulations. The term "Disclosure Package" shall mean (i) the Statutory Prospectus, (ii) the Issuer Free Writing Prospectus, if any, identified in Schedule II hereto, and (iii) any other free writing prospectus defined in Rule 405 of the Regulations that is required to be filed by the Company with the SEC or retained by the Company under Rule 433 of the Regulations and that all parties hereto expressly agree to treat as part of the Disclosure Package (the "Other Free Writing Prospectus"). For purposes of this Agreement, the "Initial Sale Time" shall mean 5:00 p.m. (Eastern Time) on the date of this Agreement. All references in this Agreement to the Registration Statement, the Rule 462(b) Registration Statement, the Base Prospectus, a Preliminary Prospectus, the Statutory Prospectus, the Prospectus, the Issuer Free Writing Prospectus, the Other Free Writing Prospectus or any amendments or supplements to any of the foregoing, shall include any copy thereof filed with the SEC pursuant to its Interactive Data Electronic Applications ("IDEA") System.

(b) The Registration Statement has become effective under the Act, and, to the Company's knowledge, the SEC has not issued any stop order suspending the effectiveness of the Registration Statement or preventing or suspending the use of the Statutory Prospectus or the Prospectus, nor, to the Company's knowledge, has the SEC instituted or threatened to institute proceedings with respect to such an order. To the Company's knowledge, (i) no stop order suspending the sale of the Shares in any jurisdiction in which the Underwriters may offer the Shares has been issued, and (ii) no proceedings for that purpose have been instituted or threatened. The Company has complied in all material respects with all requests of the SEC for additional information to be included in the Registration Statement, the Disclosure Package or the Prospectus.

(i) The Registration Statement complied at the Effective Time and, as amended or supplemented, complies (c) on the date hereof and will comply on the Closing Date and any Option Closing Date, in all material respects, with the requirements of the Act and the Regulations, (ii) the Registration Statement, at the Effective Time, did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (iii) the Disclosure Package, at the time it was filed and as of the Initial Sale Time, complied in all material respects with the requirements of the Act and the Regulations, (iv) the Disclosure Package at the time it was filed and as of the Initial Sale Time, did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, (v) the Prospectus, at the time it is filed and, as amended or supplemented, as of the Closing Date and any Option Closing Date, will comply in all material respects with the requirements of the Act and the Regulations, (vi) the Prospectus, at the time it is filed and, as amended or supplemented, as of the Closing Date and any Option Closing Date, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however that the representations and warranties set forth in this paragraph do not apply to omissions from or statements in the Registration Statement, the Disclosure Package or the Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only information furnished by any Underwriter for use in the Registration Statement, the Disclosure Package and the Prospectus is the information as set forth in Section 13 of this Agreement, and (vii) the statistical and market-related data included or incorporated by reference in the Registration Statement, the Disclosure Package and the Prospectus are based on or derived from sources that the Company believes to be reliable and accurate.

(d) As of the Initial Sale Time, the Disclosure Package complied in all material respects with the Act and the Regulations and, if filed by electronic transmission pursuant to IDEA (except as may be permitted by Regulation S-T under the Act), was identical to the copy thereof delivered to the Underwriters for use in connection with the offer and sale of the Shares. The Disclosure Package, at the Initial Sale Time, did not, and at the Closing Date will not, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to omissions from or statements in the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter for use in the Disclosure Package is the information as set forth in Section 13 of this Agreement.

The Company (including its agents and representatives, other than the Underwriters in their capacity as (e) such) has not used, authorized, approved or referred to, and will not use, authorize, approve or refer to any Issuer Free Writing Prospectus, other than the documents listed on <u>Schedule II</u> hereto. Each such Issuer Free Writing Prospectus complied when issued in all material respects with the Act and the Regulations and has been filed in accordance with the Act and the Regulations (to the extent required thereby). Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Shares or until any earlier date of which the Company notified or notifies the Representatives as described in the next sentence, did not, does not and will not include any information that, in any material respect, conflicted, conflicts or will conflict with the information contained in the Registration Statement. If at any time following issuance of an Issuer Free Writing Prospectus, there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information then contained in the Registration Statement or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, (i) the Company has promptly notified or will promptly notify the Representatives and (ii) the Company has promptly amended or will promptly amend or supplement such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission. The foregoing sentences do not apply to conflicts with, omissions from or statements in any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter for use in any Issuer Free Writing Prospectus is the information as set forth in Section 13 of this Agreement.

(f) The Company has not distributed and will not distribute, prior to the later of the last Option Closing Date (as defined below) and the completion of the Underwriters' distribution of the Shares, any offering material in connection with the offering and sale of the Shares other than the Registration Statement, the Disclosure Package or the Prospectus.

(g) The documents incorporated by reference into the Prospectus pursuant to Item 12 of Form S-3 under the Act, at the time they were filed with the SEC, complied in all material respects with the requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and with the rules and regulations promulgated under or pursuant to the Exchange Act, and did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein not misleading.

(h) There are no legal or governmental proceedings pending or, to the knowledge of the Company, threatened to which the Company or any of the Subsidiaries is a party or to which any of the properties of the Company or any Subsidiary are subject that are required to be described in the Registration Statement, the Disclosure Package or the Prospectus and are not so described or any statutes, regulations, contracts or other documents that are required to be described in the Registration Statement, the Disclosure Package or the Prospectus or to be filed as exhibits to the Registration Statement that are not described or filed as required.

(i) The Company is a corporation duly incorporated and validly existing under the laws of the State of California, and has the corporate power and authority to own or lease and operate its properties and to conduct its current business as described in the Registration Statement, the Disclosure Package and the Prospectus, and to execute, deliver and perform this Agreement. Each of Golden State Water Company, a California corporation ("GSWC"), Chaparral City Water Company, an Arizona corporation, and American States Utility Services, Inc., a California corporation ("ASUS"), is a wholly owned subsidiary of the Company and each of Fort Bliss Water Services Company, a Texas corporation, Terrapin Utility Services, Inc., Old Dominion Utility Services, Inc., a Virginia corporation, Palmetto State Utility Services, Inc., a South Carolina corporation, and Old North Utility Services, Inc., a North Carolina corporation, is a wholly owned subsidiary of ASUS and shall herein be referred to individually as a "Subsidiary" and collectively as the "Subsidiaries." Each Subsidiary of the Company has been duly incorporated and is a corporation validly existing under the laws of the jurisdiction of its incorporation, and has the corporate power and authority to own or lease and operate its properties and to conduct its current business as described in the Registration Statement, the Disclosure Package and the Prospectus, except that Terrapin Utility Services, Inc.'s corporate charter has been revoked by the State of Maryland. Neither the Company nor any Subsidiary is required to be gualified to do business as a foreign corporation in any jurisdiction in which the failure to so qualify would reasonably be expected to have a material adverse effect on the assets, properties, financial condition, results of operations, shareholders' equity, business or prospects (collectively, the "Business Conditions") of the Company and the Subsidiaries taken as a whole.

(j) All of the outstanding shares of capital stock of each of the Subsidiaries have been duly authorized and validly issued, are fully paid and non-assessable and are owned by the Company or ASUS, as the case may be, free and clear of all liens, encumbrances and security interests, except as otherwise disclosed in the Registration Statement, the Disclosure Package and the Prospectus; and no options, warrants or other rights to purchase, agreements or other obligations to issue, or other rights to convert any obligations into shares of capital stock or ownership interests in any of the Subsidiaries or securities convertible into or exchangeable for capital stock of, or other ownership interests in any of the Subsidiaries are outstanding. Neither the Company nor the Subsidiaries owns any stock or other equity interest in any corporation, partnership or other entity other than the Company's and ASUS's ownership of the Subsidiaries.

(k) This Agreement has been duly authorized, executed and delivered by the Company and constitutes its legally valid and binding obligation, enforceable against the Company in accordance with its terms, except as may be limited by bankruptcy, insolvency reorganization, moratorium or other laws relating to or affecting the creditors' rights generally (including, without limitation, fraudulent conveyance laws) and by general principles of equity, including, without limitation, concepts of reasonableness, good faith and fair dealing and the possible unavailability of specific performance or injunctive relief, regardless of whether considered in a proceeding in equity or at law and except, as to this Agreement, as rights to indemnity and contribution may be limited by federal and state securities laws or principles of public policy.

The execution, delivery and performance of this Agreement and the transactions contemplated herein, do (1)not and will not, with or without the giving of notice or the lapse of time, or both, (i) conflict with any term or provision of the Company's or any Subsidiary's respective Certificate or Articles of Incorporation, as the case may be, or Bylaws; (ii) result in a breach of, constitute a default under, result in the termination or modification of, result in the creation or imposition of any lien, security interest, charge or encumbrance upon any of the properties of the Company or the Subsidiaries or require any payment by the Company or any of the Subsidiaries or impose any liability on the Company or any of the Subsidiaries pursuant to, any contract, indenture, mortgage, deed of trust, commitment or other agreement or instrument to which the Company or any of the Subsidiaries is a party or by which any of their respective properties are bound or affected other than this Agreement; (iii) assuming compliance with Blue Sky laws and the rules of the Financial Industry Regulatory Authority ("FINRA") applicable to the offer and sale of the Shares, violate any law, rule, regulation, judgment, order or decree of any government or governmental agency, instrumentality or court, domestic or foreign, having jurisdiction over the Company or the Subsidiaries or any of their respective properties or businesses; or (iv) result in a breach, termination or lapse of the Company's or the Subsidiaries' corporate power and authority to own or lease and operate their respective properties and conduct their respective businesses, except in the cases of clauses (iii) and (iv), any violation, breach, termination or lapse that would not, individually or in the aggregate, result in or reasonably be expected to result in or have a material adverse effect on the Business Conditions of the Company and the Subsidiaries taken as a whole.

(m) At the date or dates indicated in the Registration Statement, the Disclosure Package or the Prospectus, the Company had or will have the capitalization set forth in the Registration Statement, the Disclosure Package and the Prospectus under the caption "Capitalization" and will have, as of the issuance of the Firm Shares on the Closing Date, the as-adjusted capitalization set forth therein as of the date indicated in the Registration Statement, the Disclosure Package and the Prospectus. At the Effective Time and on the Closing Date and any Option Closing Date, there will be no options or warrants or other outstanding rights to purchase, agreements or obligations to issue or agreements or other rights to convert or exchange any obligation or security into, capital stock of the Company or securities convertible into or exchangeable for capital stock of the Company, except as described in the Registration Statement, the Disclosure Package or the Prospectus under stock incentive plans or other stock plans of the Company and the sale of Common Shares pursuant to the Company's 401(k) plan or common share purchase and dividend reinvestment plan. The information in the Registration Statement, the Disclosure Package and the Prospectus, insofar as it relates to all outstanding options and restricted stock units and other rights to acquire securities of the Company as of the dates referred to in the Registration Statement, the Disclosure Package and the Prospectus, is true and correct in all material respects.

(n) The currently outstanding shares of the Company's capital stock have been duly authorized and are validly issued, fully paid and non-assessable, and none of such outstanding shares of the Company's capital stock has been issued in violation of any preemptive rights or similar rights of any security holder of the Company. The holders of the outstanding shares of the Company's capital stock are not subject to personal liability solely by reason of being such holders. The authorized capital stock of the Company, including, without limitation, the outstanding Common Shares and the Shares being issued, conform in all material respects with the descriptions thereof in the Registration Statement, the Disclosure Package and the Prospectus, and such descriptions conform in all material respects with the instruments defining the same. The description of the Company's stock plans, equity compensation plans and other equity arrangements, and the rights granted thereunder, set forth in the Registration Statement, the Disclosure Package and the Prospectus accurately and fairly presents, in all material respects, the information required to be shown with respect to such plans, arrangements and rights.

(o) There are no contracts, agreements or understandings between the Company or any of the Subsidiaries and any person granting such person the right to require the Company to file a registration statement under the Act with respect to any securities of the Company owned or to be owned by such person or to require the Company to include such securities in the securities registered pursuant to the Registration Statement or in any securities being registered pursuant to any other registration statement filed by the Company under the Act.

(p) The Shares have been duly and validly authorized, and, when issued and delivered against payment therefor as contemplated by this Agreement, the Shares will be validly issued, fully paid and non-assessable, and the holders thereof will not be subject to personal liability solely by reason of being such holders.

(q) No consent, approval, authorization, order, registration, license or permit of, or filing or registration with, any court, government, governmental agency, instrumentality or other regulatory body or official is required for the valid and legal execution, delivery and performance by the Company of this Agreement and the consummation of the transactions contemplated hereby, except (i) such as may be required for the registration of the Shares under the Act and the listing of the Shares on the New York Stock Exchange (the "NYSE"), (ii) filings under the Exchange Act, and (iii) filings required for compliance with the applicable state securities or Blue Sky laws or the bylaws and rules of FINRA.

(r) The Common Shares (including the Shares) are registered pursuant to Section 12(b) of the Exchange Act. The issued and outstanding Common Shares are listed on the NYSE. Neither the Company nor, to the knowledge of the Company, any other person has taken any action designed to cause, or likely to result in, the termination of the registration of the Common Shares under the Exchange Act. The Company has not received any notification that the SEC, the NYSE or FINRA is contemplating terminating such registration or inclusion.

(s) The statements in the Registration Statement, the Disclosure Package and the Prospectus, insofar as they are descriptions of or references to contracts, agreements or other documents, are accurate in all material respects and present or summarize fairly, in all material respects, the information required to be disclosed under the Act or the Regulations, and there are no contracts, agreements or other documents, instruments or transactions of any character required to be described or referred to in the Registration Statement, the Disclosure Package or the Prospectus or to be filed as exhibits to the Registration Statement that have not been so described, referred to or filed, as required.

(t) Each contract or other instrument (however characterized or described) to which the Company or any of the Subsidiaries is a party or by which any of their respective properties or businesses is bound or affected and which is material to the conduct of the business of the Company and the Subsidiaries taken as a whole has been duly and validly executed by the Company or the Subsidiaries, as applicable, and, to the knowledge of the Company, by the other parties thereto. Each such contract or other instrument is in full force and effect and is enforceable against the parties thereto in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights generally (including, without limitation, fraudulent conveyance laws) and by general principles of equity, including, without limitation, concepts of reasonableness, good faith and fair dealing and the possible unavailability of specific performance or injunctive relief, regardless of whether considered in a proceeding in equity or at law, and neither the Company nor any of the Subsidiaries is, and no other party thereto is, in default thereunder, and no event has occurred that, with the lapse of time or the giving of notice, or both, would constitute a default under any such contract or other instrument.

(u) The consolidated financial statements of the Company (including the notes thereto) filed as part of or incorporated by reference in, the Registration Statement, the Disclosure Package and the Prospectus present fairly, in all material respects, the financial position of the Company as of the respective dates thereof, and the results of operations and cash flows of the Company for the periods indicated therein, and have been prepared in conformity with generally accepted accounting principles. The financial information included in the Registration Statement, the Disclosure Package and the Prospectus under the captions "Prospectus Summary - Summary Consolidated Financial Information," "Use of Proceeds" and "Capitalization" presents fairly the information shown therein and has been compiled on a basis consistent with that of the financial statements incorporated by reference in the Registration Statement, the Disclosure Package and the Prospectus have been properly applied to the historical amounts in the compilation of that information to reflect the sale by the Company of the Shares offered thereby at an assumed offering or actual price set forth in the Registration Statement, the Disclosure Package or the Prospectus, as the case may be, and the application of the estimated net proceeds therefrom.

Since the respective dates as of which information is given, or incorporated by reference, in the (v) Registration Statement, the Disclosure Package and the Prospectus, except as otherwise stated therein, there has not been (i) any material adverse change, or development involving a prospective material adverse change in the Business Conditions of the Company and the Subsidiaries taken as a whole; (ii) any adverse change, loss, reduction, termination or non-renewal of any contract to which the Company or any Subsidiary is a party that is material to the Company and the Subsidiaries taken as a whole; (iii) any transaction entered into by the Company or any of the Subsidiaries not in the ordinary course of its business that is material to the Company the Subsidiaries taken as a whole; (iv) any dividend or distribution of any kind declared, paid or made by the Company on its capital stock, except for and to the extent described in the Registration Statement, the Disclosure Package and the Prospectus; (v) any liabilities or obligations, direct or indirect, incurred by the Company or any of the Subsidiaries that are material to the Company and the Subsidiaries taken as a whole; (vi) any change in the equity capitalization of the Company or any of the Subsidiaries, except for issuances of the Common Shares pursuant to the Company's stock incentive plans or other stock plans, 401(k) plan and common share purchase and dividend reinvestment plan; or (vii) any change in the indebtedness of the Company or any of the Subsidiaries that is material to the Company and the Subsidiaries taken as a whole. Neither the Company nor any of the Subsidiaries has any contingent liabilities or obligations that are material to the Company and the Subsidiaries taken as a whole and that are not expressly disclosed in the Registration Statement, the Disclosure Package and the Prospectus.

(w) Neither the Company nor, to the knowledge of the Company, any of its officers, directors or affiliates (i) has taken, nor shall the Company or such persons take, directly or indirectly, any action designed to, or that might be reasonably expected to, cause or result in stabilization or manipulation of the price of the Common Shares, or (ii) since the filing of the Prospectus (A) sold, bid for, purchased or paid anyone any compensation for soliciting purchases of, the Shares or (B) paid or agreed to pay to any person compensation for soliciting another to purchase any other securities of the Company, other than payments to the Underwriters as provided in this Agreement.

(x) The Company and the Subsidiaries have filed with the appropriate federal, state and local governmental agencies and political subdivisions thereof, all tax returns that are required to be filed or have duly obtained extensions of time for the filing thereof, except where the failure to file or to obtain an extension would not reasonably be expected to materially adversely affect the Business Conditions of the Company and the Subsidiaries taken as a whole. The Company and the Subsidiaries have paid all taxes shown on returns that have been filed or otherwise due and all assessments received by them to the extent that the same have become due, except for such taxes or assessments currently being contested in good faith or taxes and assessments that are not material to the Business Conditions of the Company and the Subsidiaries taken as a whole. Neither the Company nor any of the Subsidiaries has executed or filed with any taxing authority, foreign or domestic, any agreement extending the period for assessment or collection of any income or other tax and none of them is a party to any pending action or proceeding by any foreign or domestic governmental agency for the assessment or collection of taxes, and no claims for assessment or collection of taxes have been asserted against the Company or any of the Subsidiaries taken as a whole.

(y) PricewaterhouseCoopers LLP, which has given its report on certain financial statements included as part of, or incorporated by reference in, the Registration Statement, the Disclosure Package and the Prospectus, is an independent registered public accounting firm.

(z) Neither the Company nor any of the Subsidiaries is in violation of, or in default under, any of the terms or provisions of (i) its Certificate or Articles of Incorporation, as the case may be, or Bylaws or similar governing instruments (other than Terrapin Utility Services, Inc., whose corporate charter has been revoked), and (ii) except as expressly disclosed in the Registration Statement, the Disclosure Package and the Prospectus or where any such default would not reasonably be expected to have a material adverse effect on the Business Conditions of the Company and the Subsidiaries taken as a whole, (A) any indenture, mortgage, deed of trust, contract, commitment or other agreement or instrument to which it is a party or by which it or any of its assets or properties is bound or affected, (B) any law, rule, regulation, judgment, order or decree of any government or governmental agency, instrumentality or court, domestic or foreign, having jurisdiction over it or any of its properties or business, or (C) any license, permit, certification, registration, approval, consent or franchise.

(a) Except as expressly disclosed in the Registration Statement, the Disclosure Package and the Prospectus, there are no claims, actions, suits, protests, proceedings, arbitrations, investigations or inquiries pending before, or, to the Company's knowledge, threatened or contemplated by, any governmental agency, instrumentality, court or tribunal, domestic or foreign, or before any private arbitration tribunal to which the Company or any of the Subsidiaries is or may be made a party that could reasonably be expected to affect the validity of any of the outstanding Common Shares, or that, if determined adversely to the Company or any of the Subsidiaries would, in any case or in the aggregate, result in any material adverse change in the Business Conditions of the Company and the Subsidiaries taken as a whole, nor, to the knowledge of the Company, is there any reasonable basis for any such claim, action, suit, protest, proceeding, arbitration, investigation or inquiry. Except as expressly disclosed in the Registration Statement, the Disclosure Package and the Prospectus, there are no outstanding orders, judgments or decrees of any court, governmental agency, instrumentality or other tribunal enjoining the Company or any of the Subsidiaries from, or requiring the Company or any of the Subsidiaries to take or refrain from taking, any action, or to which the Company or any of the Subsidiaries to take or subject, which would reasonably be expected to have a material adverse effect on the Company and the Subsidiaries taken as a whole .

(bb) Each of the Company and the Subsidiaries own, or possess adequate rights to use, or can acquire on reasonable terms, all patents, patent applications, trademarks, trademark registrations, applications for trademark registration, trade names, service marks, licenses, inventions, copyrights, know-how (including any unpatented and/or unpatentable proprietary or confidential technology, information, systems, design methodologies and devices or procedures developed or derived from or for the Company's or the Subsidiaries' business), trade secrets, confidential information, processes and formulations and other proprietary information necessary for, used in, or proposed to be used in, the conduct of the business of the Company and the Subsidiaries as described in the Registration Statement, the Disclosure Package and the Prospectus (collectively, the "Intellectual Property"), except where the failure to own or possess or otherwise be able to acquire such Intellectual Property would not have a material adverse effect on the Business Conditions of the Company and the Subsidiaries, taken as a whole. Neither the Company nor any of the Subsidiaries has infringed, is infringing or has received any written notice of conflict with, the asserted rights of others with respect to the Intellectual Property that, individually or in the aggregate, if the subject of an unfavorable decision, ruling or finding, could materially adversely affect the Business Conditions of the Company and the Subsidiaries taken as a whole, and the Company knows of no reasonable basis therefor. On the basis of the representations, warranties, covenants and agreements contained herein, but subject to the terms and conditions set forth herein, the Company shall sell the Firm Shares to the several Underwriters at the Offering Price less the Underwriting Discounts and Commissions shown on the cover page of the Prospectus, and the Underwriters, severally and not jointly, shall purchase from the Company on a firm commitment basis, at the Offering Price less the Underwriting Discounts and Commissions shown on the cover page of the Prospectus, the respective amounts of the Firm Shares set forth opposite their names on Schedule I hereto. In making this Agreement, each Underwriter is contracting severally and not jointly, and except as provided in Sections 4 and 12 hereof, the agreement of each Underwriter is to purchase only that number of Shares specified with respect to that Underwriter in Schedule I hereto. The Underwriters shall offer the Shares to the public as set forth in the Prospectus.

Such time and date are referred to herein as the "Closing Date."

4. <u>Option to Purchase Optional Shares</u>.

(a) For the purposes of covering any over-allotments in connection with the distribution and sale of the Firm Shares as contemplated by the Prospectus, subject to the terms and conditions herein set forth, the several Underwriters are hereby granted an option by the Company to purchase all or any part of the Optional Shares (the "Over-allotment Option"). The purchase price to be paid for the Optional Shares shall be the Offering Price less the Underwriting Discounts and Commissions shown on the cover page of the Prospectus. The Over-allotment Option granted hereby may be exercised by the Representatives on behalf of the several Underwriters as to all or any part of the Optional Shares at any time and from time to time within 30 days after the date of the Prospectus. No Underwriter shall be under any obligation to purchase any Optional Shares prior to an exercise of the Over-allotment Option.

(b) The Over-allotment Option granted hereby may be exercised by the Representatives on behalf of the several Underwriters by giving notice to the Company by a letter sent by facsimile (such notice to be effective when received), addressed as provided in Section 14 hereof, setting forth the number of Optional Shares to be purchased, the date and time for delivery of and payment for the Optional Shares and stating that the Optional Shares referred to therein are to be used for the purpose of covering over-allotments in connection with the distribution and sale of the Firm Shares. If such notice is given after such two full business day period, the date set forth therein for such delivery and payment shall be a date selected by the Representatives not later than five full business days after the exercise of the Overallotment Option. The date and time set forth in such a notice is referred to herein as an "Option Closing." Upon each exercise of the Over-allotment Option, and on the basis of the representations, warranties, covenants and agreements herein contained, and subject to the terms and conditions herein set forth, the several Underwriters shall become severally, but not jointly, obligated to purchase from the Company the number of Optional Shares specified in each notice of exercise of the Over-allotment Option (allocated among them in accordance with Section 4(c) hereof).

(c) The number of Optional Shares to be purchased by each Underwriter pursuant to each exercise of the Over-allotment Option shall be the number that bears the same ratio to the aggregate number of Optional Shares being purchased through such Over-allotment Option exercise as the number of Firm Shares opposite the name of such Underwriter in <u>Schedule I</u> hereto bears to the total number of all Firm Shares. Notwithstanding the foregoing, the number of Optional Shares purchased and sold pursuant to each exercise of the Over-allotment Option shall be subject to such adjustment as the Representatives may approve to eliminate fractional shares and subject to the provisions for the allocation of Optional Shares purchased for the purpose of covering over-allotments set forth in the agreement entered into by and among the Underwriters in connection herewith (the "Agreement Among Underwriters").

5. <u>Certain Covenants and Agreements of the Company</u>. The Company covenants and agrees with the several Underwriters as follows:

(a) The Company will comply with the requirements of Rule 430B.

(b) The Company will not file with the SEC, the Prospectus, any amendment or supplement to the Prospectus or any amendment to the Registration Statement or the Disclosure Package, and will not use, authorize, refer to or file any Issuer Free Writing Prospectus, unless the Representatives have received a reasonable period of time to review any such proposed amendment, supplement or Issuer Free Writing Prospectus and consented to the filings thereof, and will use its best efforts to cause any such amendment to the Registration Statement to be declared effective as promptly as possible. Upon reasonable request of the Regulations, any amendments to the Registration Statement or amendments or supplements to the Prospectus or the Disclosure Package that may be necessary or advisable in connection with the distribution of the Shares by the several Underwriters and will use its best efforts to cause any such amendment to the Registration Statement to the Prospectus or the Disclosure Package with the SEC in the manner and within the time period required by Rule 424(b) or Rule 433 under the Act. The Company will advise the Representatives, promptly after receiving notice thereof, of the time when the Registration Statement or any amendment or supplement thereof has been filed or declared effective or the Prospectus or the Disclosure Package, or any amendment or supplement thereto has been filed and will provide evidence to the Representatives of each filing or effectiveness.

The Company will advise the Representatives immediately, and confirm such advice in writing, (i) when (c) any post-effective amendment to the Registration Statement is filed with the SEC under Rule 462(c) under the Act or otherwise, (ii) when any Rule 462(b) Registration Statement is filed, (iii) of the receipt of any comments from the SEC concerning the Registration Statement, (iv) when any post-effective amendment to the Registration Statement becomes effective, or when any supplement to the Prospectus or the Disclosure Package or any amended Prospectus or Disclosure Package has been filed, (v) of any request of the SEC for amendment or supplementation of the Registration Statement, the Disclosure Package or the Prospectus or for additional information, (vi) during the period when a prospectus is required to be delivered under the Act and Regulations (the "Prospectus Delivery Period"), of the happening of any event as a result of which any Prospectus would include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading, (vii) during the Prospectus Delivery Period, of the need to amend the Registration Statement or supplement to the Prospectus to comply with the Act, (viii) of the issuance by the SEC of any stop order suspending the effectiveness of the Registration Statement or of any order preventing or suspending the use of any Preliminary Prospectus or the Prospectus, and (ix) of the suspension of the approval of the Shares for listing on the NYSE or the qualification of any of the Shares for offering or sale in any jurisdiction in which the Underwriters intend to make such offers or sales, or the initiation or threatening of any proceedings for such purpose known to the Company. The Company will use its best efforts to prevent the issuance of any such stop order or of any order preventing or suspending such use, and if any such order is issued, to obtain as soon as possible the lifting thereof.

(d) The Company has delivered to the Representatives, without charge, as many copies of each Preliminary Prospectus as the Representatives have reasonably requested. The Company will deliver, without charge, to the Representatives, such number of copies of the Registration Statement, the Disclosure Package and the Prospectus, and any supplements or amendments thereto, as the Representatives may reasonably request from time to time during the Prospectus Delivery Period. The Company hereby consents to the use of such copies of the Disclosure Package and the Prospectus for purposes permitted by the Act, the Regulations and the securities or Blue Sky laws of the jurisdictions in which the Shares are offered by the several Underwriters and by all dealers to whom Shares may be sold, both in connection with the offering and sale of the Shares and during the Prospectus Delivery Period.

(e) The Company will comply with the Act, the Regulations, the Exchange Act and the rules and regulations thereunder so as to permit the continuation of sales of and dealings in the Shares for as long as may be necessary to complete the distribution of the Shares as contemplated hereby.

(f) If required, the Company will furnish such information and pay such filing fees and other expenses as may be required, including its counsel's reasonable legal fees, and otherwise cooperate in the registration or qualification of the Shares, or exemption therefrom, for offering and sale by the several Underwriters and by dealers under the securities or Blue Sky laws of such jurisdictions in which the Representatives determine to offer the Shares, after consultation with the Company, and will file such consents to service of process or other documents necessary or appropriate in order to effect such registration or qualification; provided, however, that no such qualification shall be required in any jurisdiction where, solely as a result thereof, the Company would be subject to taxation or qualification as a foreign corporation doing business in such jurisdiction where it is not now so qualified or to take any action which would subject it to service of process in suits, other than those arising out of the offering or sale of the Shares, in any jurisdictions for such offering and sale. The Company will furnish such information and pay such filing fees and other expenses as may be required, and otherwise cooperate in the listing of the Shares on the NYSE. The Company will, from time to time, prepare and file such statements and reports as are or may be required as are or may be required to continue such qualification in effect for a period of three years from the Effective Time.

(g) Subject to Section 5(b) hereof, in case of any event occurring at any time within the Prospectus Delivery Period, as a result of which the Disclosure Package or the Prospectus, as then amended or supplemented, would contain an untrue statement of a material fact, or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, or, if it is necessary at any time to amend the Disclosure Package or the Prospectus to comply with the Act or the Regulations or any applicable securities or Blue Sky laws, the Company promptly will prepare and file with the SEC, and any applicable state and foreign securities commission, an amendment, supplement or document that will correct such statement or omission or effect such compliance and will furnish to the several Underwriters such number of copies of such amendments, supplements or documents (in form and substance satisfactory to the Representatives and counsel for the Underwriters) as the Representatives may reasonably request. For purposes of this Section 5(g), the Company will provide such information to the Representatives, the Underwriters' counsel and counsel to the Company as shall be necessary to enable such persons to consult with the Company with respect to the need to amend or supplement the Registration Statement, the Disclosure Package or the Prospectus or file any document.

(h) The Company agrees that, unless it obtains the prior written consent of the Representatives, it will not make any offer relating to the Shares that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a "free writing prospectus" (as defined in Rule 405 of the Act) required to be filed by the Company with the SEC or retained by the Company under Rule 433 of the Act; provided that the prior written consent of the Representatives shall be deemed to have been given in respect of the free writing prospectuses included in <u>Schedule I</u> hereto. Any such free writing prospectus consented to by the Representatives is hereinafter referred to as a "Permitted Free Writing Prospectus." The Company agrees that (i) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus, and (ii) has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 of the Act applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the SEC, legending and record keeping.

(i) The Company will make generally available to its security holders and the Representatives as soon as practicable an earnings statement that satisfies the provisions of Section 11(a) of the Act and Rule 158 promulgated thereunder covering a period of at least twelve months beginning with the Company's first fiscal quarter occurring after the "effective date" (as defined in Rule 158) of the Registration Statement.

(j) Prior to the Closing Date, the Company will issue no press release or other communications directly or indirectly and hold no press conference with respect to the Company or the Subsidiaries, the condition, financial or otherwise, or the earnings, business, operations or prospects of any of them, or the offering of the Shares without the prior written consent of the Representatives unless in the judgment of the Company and its counsel, and after notification to the Representatives such press release or communication is required by law.

(k) For a period of three years from the date hereof, the Company will deliver to the Representatives and, upon request, to each of the Underwriters: (i) as soon as available, a copy of each report on Forms 8-K, 10-K and 10-Q (or such similar forms as may be designated by the SEC), proxy statements, registration statements and any exhibits thereto, filed or furnished to the SEC; (ii) as soon as practicable, copies of any reports or communications (financial or other) of the Company mailed to its security holders; and (iii) every material press release in respect of the Company or its affairs that is released or prepared by the Company, provided, however, that no reports or documents need to be furnished to the extent they have been filed with the SEC and are publicly available on IDEA.

(l) During the course of the distribution of the Shares, the Company and the Subsidiaries will not, and the Company shall cause its officers and directors not to, (i) take, directly or indirectly, any action designed to, or that could reasonably be expected to, cause or result in stabilization or manipulation of the price of the Common Shares or (ii) sell, bid for, purchase or pay anyone any compensation for soliciting purchases of, the Shares.

(m) The Company has caused or will use its best efforts to cause each person listed on <u>Schedule III</u> hereto to execute an agreement (a "Lock-up Agreement") in the form set forth as <u>Exhibit A</u> hereto. The Company has delivered or will deliver such agreements to the Representatives prior to the date of this Agreement or as soon as practicable thereafter. Appropriate stop transfer instructions will be issued by the Company to the transfer agent for the Common Shares and a copy of such instructions will be delivered to the Representatives.

(n) During the period commencing on the date hereof and ending on the 90th day following the date of the Prospectus, the Company will not, without the prior written consent of the Representatives (which consent may be withheld at the sole discretion of the Representatives), directly or indirectly, sell, offer, contract or grant any option to sell, pledge, transfer or establish an open "put equivalent position" within the meaning of Rule 16a-1(h) under the Exchange Act or liquidate or decrease a "call equivalent position" within the meaning of Rule 16a-1(b) under the Exchange Act, or otherwise dispose of or transfer (or enter into any transaction which is designed to, or would reasonably be expected to, result in the disposition of), or announce the offering of, or file any registration statement under the Act in respect of, any shares of Common Shares, options or warrants to acquire shares of Common Shares or securities exchangeable or exercisable for or convertible into shares of Common Shares (other than as contemplated by this Agreement with respect to the Shares); provided, however, that the Company may issue Common Shares pursuant to this Agreement and under any stock option, equity compensation or other stock plan or arrangement, 401(k) plan, common share purchase and dividend reinvestment plan described in or filed as an exhibit to the Registration Statement, the Disclosure Package or the Prospectus, and may enter into an agreement to issue Common Shares if the consummation of the transaction contemplated by such agreement is subject to the approval of a state public utility regulatory commission, and provided that no Common Shares are issued pursuant to such agreement during the 90-day restricted period referred to above.

(o) For a period of three years from the date hereof, the Company will use all reasonable efforts to maintain the listing of the Common Shares (including, without limitation, the Shares) on the NYSE.

(p) The Company shall, at its sole cost and expense, supply and deliver to the Representatives and the Underwriters' counsel, within a reasonable period from the Closing Date transaction binders in such number and in such form as the Representatives reasonably request.

(q) The Company will use the net proceeds from the sale of the Shares to be sold by it hereunder substantially in accordance with the description set forth under the caption "Use of Proceeds" in the Prospectus.

6. <u>Certain Covenants and Agreement of the Underwriters</u>. The Underwriters agree that, unless the Representatives obtain the prior written consent of the Company, they will not make any offer relating to the Shares that would constitute a "free writing prospectus" (as defined in Rule 405 of the Act) required to be filed by the Company with the SEC or retained by the Company under Rule 433 of the Act; provided that the prior written consent of the Company shall be deemed to have been given in respect of the free writing prospectuses included in Schedule II hereto. Any such free writing prospectus consented to be a Permitted Free Writing Prospectus.

7. <u>Payment of Fees and Expenses</u>.

(e) The Representatives shall have received a copy of an executed Lock-up Agreement in the form of Exhibit A from substantially all of the persons listed on <u>Schedule III</u> hereto and the Company shall have issued appropriate stop transfer instructions to the transfer agent and shall have delivered a copy of such instructions to the Representatives.

At the Closing Date and any Option Closing Date: (i) the Registration Statement and any post-effective (g) amendment thereto and the Disclosure Package and the Prospectus and any amendments or supplements thereto shall conform to the requirements of the Act and the Regulations in all material respects, and none of the Registration Statement nor any posteffective amendment thereto, the Disclosure Package or the Prospectus and any amendments or supplements thereto shall contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; (ii) since the respective dates as of which information is given in the Registration Statement, the Disclosure Package and the Prospectus and any amendments or supplements thereto, except as otherwise stated therein, there shall have been no material adverse change in the Business Conditions of the Company and the Subsidiaries taken as a whole from that set forth therein whether or not arising in the ordinary course of business; (iii) since the respective dates as of which information is given in the Registration Statement, the Disclosure Package and the Prospectus or any amendment or supplement thereto, there shall have been no event or transaction, contract or agreement entered into by the Company or any of the Subsidiaries other than in the ordinary course of business and as set forth in the Registration Statement, the Disclosure Package or the Prospectus, that has not been, but would be required to be, set forth in the Registration Statement, the Disclosure Package or Prospectus; (iv) since the respective dates as of which information is given in the Registration Statement and any post-effective amendment thereto and the Disclosure Package and the Prospectus and any amendments or supplements thereto, there shall have been no material adverse change, loss, reduction, termination or non-renewal of any contract to which the Company or any of the Subsidiaries is a party, that has not been, but would be required to be set forth in the Registration Statement, the Disclosure Package or the Prospectus; and (v) no action, suit or proceeding at law or in equity shall be pending or threatened against the Company or any of the Subsidiaries that would be required to be set forth in the Disclosure Package or the Prospectus, other than as set forth therein, and no proceedings (other than proceedings pending before a public utilities commission on the date hereof) shall be pending or , to the Company's knowledge, threatened against or directly affecting the Company or any of the Subsidiaries before or by any federal, state or other commission, board or administrative agency wherein an unfavorable decision, ruling or finding would reasonably be expected to have a material adverse affect on the Business Conditions of the Company and the Subsidiaries taken as a whole.

(h) The Representatives shall have received at the Closing Date and any Option Closing Date certificates of the Chief Executive Officer and the Chief Financial Officer of the Company dated as of the date of the Closing Date or Option Closing Date, as the case may be, and addressed to the Representatives individually and as representatives of the several Underwriters to the effect that (i) the representations and warranties of the Company in this Agreement are true and correct in all material respects, as if made at and as of the Closing Date or the Option Closing Date, as the case may be, and that the Company has in all material respects complied with all the agreements, fulfilled all the covenants and satisfied all the conditions on its part to be performed, fulfilled or satisfied at or prior to the Closing Date or the Option Closing Date, as the case may be, and (ii) the signers of the certificate have carefully examined the Registration Statement, the Disclosure Package and the Prospectus and any amendments or supplements thereto, and the conditions set forth in Section 8 hereof have been satisfied in all material respects.

(j) All corporate and other proceedings and other matters incident to the authorization, form and validity of this Agreement and the form of the Registration Statement and Prospectus and all other legal matters related to this Agreement and the transactions contemplated hereby shall be reasonably satisfactory in all respects to counsel to the Underwriters.

(k) FINRA shall have confirmed that it has not raised any objection with respect to the fairness and reasonableness of the underwriting terms and arrangements.

(l) The Shares shall have been approved for listing on the NYSE, subject only to notice of issuance at or prior to the time of purchase or the additional time of purchase, as the Underwriters may reasonably request.

(m) At the Closing Date and any Option Closing Date, the Representatives shall have been furnished such additional documents, information and certificates as they shall have reasonably requested.

All such opinions, certificates, letters and documents shall be in compliance with the provisions hereof only if they are reasonably satisfactory in form and substance to the Representatives and the Underwriters' counsel. The Company shall furnish the Representatives with such conformed copies of such opinions, certificates, letters and other documents as they shall reasonably request. If any condition to the Underwriters' obligations hereunder to be fulfilled prior to or at the Closing Date or any Option Closing Date, as the case may be, is not fulfilled, the Representatives, on behalf of the several Underwriters, may terminate this Agreement with respect to the Closing Date or such Option Closing Date, as applicable, or, if they so elect, waive any such conditions which have not been fulfilled, or extend the time for their fulfillment. Except as otherwise set forth in Section 10, any such termination shall be without liability of the Underwriters to the Company.

9. <u>Indemnification and Contribution</u>.

(a) The Company shall indemnify and hold harmless each Underwriter, and each person, if any, who controls each Underwriter within the meaning of the Act and the Exchange Act, against any and all loss, liability, claim, damage and expense whatsoever, including, but not limited to, any and all reasonable expenses incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever or in connection with any investigation or inquiry of, or action or proceeding that may be brought against, the respective indemnified parties, arising out of or based upon any breach of the Company's representations and warranties made in this Agreement or any untrue statements or alleged untrue statements of material fact contained in the Registration Statement, any Preliminary Prospectus, the Disclosure Package or the Prospectus, any application or other document filed in any jurisdiction in order to gualify all or any part of the Shares under the securities laws thereof or filed with the SEC or the NYSE (in this Section 9 collectively called "application"), or the omission or alleged omission from any of the foregoing of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of any Preliminary Prospectus, the Disclosure Package or the Prospectus), not misleading; provided, however, that the foregoing indemnity shall not apply in respect of any statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use in any Preliminary Prospectus, the Disclosure Package, the Registration Statement or Prospectus, or any amendment or supplement thereto, or in any application or in any communication to the SEC, as the case may be. The obligations of the Company under this Section 9(a) will be in addition to any liability the Company may otherwise have.

(b) Each Underwriter severally and not jointly shall indemnify and hold harmless the Company, each of the directors of the Company, each of the officers of the Company who shall have signed the Registration Statement, and each other person, if any, who controls the Company within the meaning of the Act to the same extent as the foregoing indemnities from the Company to the several Underwriters, but only with respect to any and all loss, liability, claim, damage or expense resulting from statements or omissions, or alleged statements or omissions, if any, made in any Preliminary Prospectus, the Disclosure Package, the Registration Statement or the Prospectus or any amendment or supplement thereof or any application or in any communication to the SEC in reliance upon, and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use in any Preliminary Prospectus, the Disclosure Package, the Registration Statement or supplement thereof, or any application or in any communication to the SEC, as the case may be. The obligations of each Underwriter under this Section 9(b) will be in addition to any liability which such Underwriter may otherwise have.

If any action, inquiry, investigation or proceeding is brought against any person in respect of which (c) indemnification may be sought pursuant to Section 9(a) or (b) hereof, such person (hereinafter called the "indemnified party") shall, promptly after notification of, or receipt of service of process for, such action, inquiry, investigation or proceeding, notify in writing the party or parties against whom indemnification is to be sought (hereinafter called the "indemnifying party") of the institution of such action, inquiry, investigation or proceeding. The indemnifying party, upon the request of the indemnified party. shall assume the defense of such action, inquiry, investigation or proceeding, including, without limitation, the employment of counsel (reasonably satisfactory to such indemnified party) and payment of expenses. No indemnification provided for in this Section 9 shall be available to any indemnified party who shall fail to give such notice if the indemnifying party does not have knowledge of such action, inquiry, investigation or proceeding to the extent that such indemnifying party has been materially prejudiced by the failure to give such notice, but the omission to so notify the indemnifying party shall not relieve the indemnifying party otherwise than under this Section 9. Such indemnified party shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless the employment of such counsel shall have been authorized in writing by the indemnifying party in connection with the defense of such action or if the indemnifying party shall not have, within a reasonable period of time in light of the circumstances, employed counsel to be in charge of the defense of such action, inquiry, investigation or proceeding, or if such indemnified party or parties shall have been advised by counsel that there may be a conflict between the positions of the indemnifying party or parties and of the indemnified party or parties or that there may be legal defenses available to such indemnified party or parties different from or in addition to those available to the indemnifying party or parties, in any of which events the indemnified party or parties shall be entitled to select counsel to conduct the defense to the extent determined by such counsel to be necessary to protect the interests of the indemnified party or parties, and the reasonable fees and expenses of such counsel shall be borne by the indemnifying party. The indemnifying party shall be responsible for the fees and disbursements of only one such counsel so engaged by the indemnified party or parties. Expenses covered by the indemnification in this Section 9, shall be paid by the indemnifying party as they are incurred by the indemnified party. In the event that it is determined that the indemnified party was not entitled to receive payments for expenses pursuant to this Section 9, the indemnified party shall return all sums that have been paid pursuant hereto. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action. Anything in this Section 9 to the contrary notwithstanding an indemnifying party shall not be liable for any settlement of a claim effected without its written consent, which consent shall not be unreasonably withheld.

If the indemnification provided for in this Section 9 is unavailable or insufficient to hold harmless an (d) indemnified party under Section 9(a) or (b) hereof in respect of any losses, liabilities, claims, damages or expenses (or actions, inquiries, investigations or proceedings in respect thereof) referred to therein, except by reason of the failure to give notice as required in Section 9(c) hereof (provided that the indemnifying party does not have knowledge of the action, inquiry, investigation or proceeding and to the extent such party has been materially prejudiced by the failure to give such notice), then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, liabilities, claims, damages or expenses (or actions, inquiries, investigations or proceedings in respect thereof in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Shares. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, liabilities, claims or expenses (or actions, inquiries, investigations or proceedings in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (net of fees, discounts and commissions but before deducting expenses) received by the Company bears to the total underwriting fees, discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other hand and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contributions to this Section 9(d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to above in this Section 9(d). The amount paid or payable by an indemnified party as a result of the losses, liabilities, claims, damages or expenses (or actions, inquiries, investigations or proceedings in respect thereof) referred to above in this Section 9(d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 9(d), (i) the provisions of the Agreement Among Underwriters shall govern contribution among Underwriters, (ii) no Underwriter (except as provided in the Agreement Among Underwriters) shall be required to contribute any amount in excess of the underwriting discounts and commissions applicable to the Shares purchased by such Underwriter, and (iii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this Section 9(d) to contribute are several in proportion to their individual underwriting obligations and not joint.

10. **Representations and Agreements to Survive Delivery**. Except as the context otherwise requires, all representations, warranties and agreements contained in this Agreement shall be deemed to be representations, warranties and agreements at the Closing Date and any Option Closing Date. All such representations, warranties and agreements of the Underwriters and the Company, including, without limitation, the indemnity and contribution agreements contained in Section 9 hereof and the agreements contained in Sections 5 (with respect to matters to be performed after the Closing Date and the Option Closing Date), 7, 11 and 12 hereof, shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Underwriters or any controlling person, and shall survive delivery of the Shares and termination of this Agreement, whether before or after the Closing Date or any Option Closing Date.

11. <u>Effective Time of This Agreement and Termination Hereof.</u>

(a) This Agreement shall become effective at 10:00 a.m., Philadelphia, Pennsylvania time, on the first business day following the Effective Time or at the time of the public offering by the Underwriters of the Shares, whichever is earlier, except that the provisions of Sections 7, 9, 10 and 11 hereof shall be effective upon execution hereof. The time of the public offering by dealers. The purpose of this Section 11, shall mean the time when any of the Shares are first released by the Underwriters for offering by dealers. The Representatives and the Company may prevent the provisions of this Agreement (other than those contained in Sections 7, 9, 10 and 11) hereof from becoming effective without liability of any party to any other party, except as noted below, by giving the notice indicated in Section 11(c) hereof before the time the other provisions of this Agreement become effective.

The Representatives shall have the right to terminate this Agreement at any time prior to the Closing Date (b) or any Option Closing Date as provided in Sections 8 and 12 or if any of the following have occurred: (i) since the respective dates as of which information is given in the Prospectus, any material adverse change or any development involving a prospective material adverse change in or affecting the Business Conditions of the Company and the Subsidiaries taken as a whole, whether or not arising in the ordinary course of business, that would, in the Representatives' opinion, make the offering or delivery of the Shares impracticable; (ii) any outbreak or escalation of hostilities or other national or international calamity or crisis or change in economic, political or financial market conditions if the effect on the financial markets of the United States of such outbreak, calamity, crisis or change would, in the Representatives' opinion, make the offering or delivery of the Shares impracticable; (iii) any suspension or limitation of trading generally in securities on the NYSE or any setting of minimum prices for trading (other than ordinary course limitations on hours or numbers of days trading) for securities on the NYSE or the promulgation of any federal or state statute, regulation, rule or order of any court or other governmental authority that in the Representatives' opinion materially and adversely affects trading on such exchange or over the counter market; (iv) the enactment, publication, decree or other promulgation of any federal or state statute, regulation, rule or order of any court or other governmental authority which in the Representatives' opinion materially and adversely affects or will materially or adversely affect the Business Conditions of the Company and the Subsidiaries taken as a whole; (v) declaration of a commercial banking moratorium by the United States, New York, California or Pennsylvania authorities; (vi) the taking of any action by any federal, state or local government or agency in respect of its monetary or fiscal affairs that in the Representatives' opinion has a material adverse effect on the securities markets in the United States; or (vii) trading in any securities of the Company shall have been suspended or halted by the NYSE or the SEC.

(c) If the Representatives elect to prevent this Agreement from becoming effective or to terminate this Agreement as provided in this Section 11, the Representatives shall notify the Company hereof promptly by telephone or facsimile, confirmed by letter or otherwise in writing.

12. <u>Default by an Underwriter</u>.

(a) If any Underwriter or Underwriters shall default in its or their obligation to purchase Firm Shares or Optional Shares hereunder, and if the Firm Shares or Optional Shares with respect to which such default relates do not exceed in the aggregate 10% of the number of Firm Shares or Optional Shares, as the case may be, that all Underwriters have agreed to purchase on the relevant Closing Date or Option Closing Date, then the Representatives may make arrangements satisfactory to the Company for the purchase of such Firm Shares by other persons, including any of the Underwriters, but if no such arrangements are made by the relevant Closing Date or Option Closing Date, such Firm Shares or Optional Shares to which the default relates shall be purchased severally by the Representatives or the non-defaulting Underwriters in proportion to their respective commitments hereunder (in addition to the number of Firm Shares and Optional Shares they are obligated to purchase pursuant to Section 2 hereof).

(b) If such default relates to more than 10% of the Firm Shares or Optional Shares, as the case may be, the Representatives may in their discretion arrange for another party or parties (including a non-defaulting Underwriter) to purchase such Firm Shares or Optional Shares to which such default relates, on the terms contained herein. In the event that the Representatives do not arrange for the purchase of the Firm Shares or Optional Shares to which a default relates as provided in this Section 12, this Agreement may be terminated by the Representatives or by the Company without liability on the part of the non-defaulting several Underwriters (except as provided in Section 9 hereof) or the Company (except as provided in Sections 7 and 9 hereof); provided that if such default occurs with respect to Optional Shares after the Closing Date, this Agreement will not terminate as to the Firm Shares or any Optional Shares purchased prior to such termination. Nothing herein shall relieve a defaulting Underwriter of its obligations hereunder, including but not limited to its liability, if any, to the other several Underwriters and to the Company for damages occasioned by its default hereunder.

(c) If the Firm Shares or Optional Shares to which the default relates are to be purchased by the nondefaulting Underwriters, or are to be purchased by another party or parties, the Representatives or the Company shall have the right to postpone the Closing Date or any Option Closing Date, as the case may be, for a reasonable period but not in any event exceeding seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus or in any other documents and arrangements, and the Company agrees to file promptly any amendment to the Registration Statement or supplement to the Prospectus that in the opinion of counsel for the Underwriters may thereby be made necessary. The terms "Underwriters" and "Underwriter" as used in this Agreement shall include any party substituted under this Section 12 with like effect as if it had originally been a party to this Agreement with respect to such Firm Shares and/or Optional Shares.

13. Information Furnished by the Underwriters. The identity of the Underwriters set forth in the first paragraph under the heading "Underwriting," the concession and reallowance figures appearing in the third paragraph under the heading "Underwriting," the disclosure with respect to stabilization activities in the seventh paragraph under the heading "Underwriting," the disclosure regarding syndicate covering transactions, penalty bids and passive market making in the eighth through eleventh paragraphs under the heading "Underwriting," the disclosure regarding "Underwriting," the disclosure with respect to discretionary authority in the thirteenth paragraph under the heading "Underwriting," and the disclosure regarding the availability of the Prospectus and the allocation of Common Shares in the eighteenth paragraph under the heading "Underwriters in the Prospectus referred to in Sections 1(c), 1(d) and 1(e) and 9 hereof.

15. Parties. This Agreement shall inure solely to the benefit of, and shall be binding upon, the several Underwriters, the Company and the controlling persons, directors and officers of each, and their respective successors, assigns, heirs and legal representatives, and no other person shall have or be construed to have any legal or equitable right, remedy or claim under or in respect of or by virtue of this Agreement or any provision herein contained. The terms "successors" and "assigns" shall not include any purchaser of the Shares merely because of such purchase.

16. Definition of Business Day. For purposes of this Agreement, "business day" means any day on which the NYSE is opened for trading.

17. Counterparts. This Agreement may be executed in one or more counterparts (including by means of any standard form of communication) and all such counterparts will constitute one and the same instrument.

18. Construction. This Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to agreements made and performed entirely within such state.

19. <u>Amendments or Waivers</u>. No amendment or waiver of any provision of this Agreement, and no consent or approval to any departure therefrom, shall in any event be effective unless the same shall be in writing and signed by the parties thereto.

20. Partial Unenforceability. The invalidity or unenforceability of any Section, paragraph or provision of this Agreement shall not affect the validity or enforceability of any other Section, paragraph or provision hereof, provided that minor changes (and only minor changes) can be made so as to make all provisions of this Agreement valid and enforceable.

21. <u>Consent to Jurisdiction</u>. Any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby must be instituted in the federal courts of the United States of America or the state courts in the Borough of Manhattan in each case located in the City of New York, and each party irrevocably submits to the exclusive jurisdiction (except for proceedings instituted in regard to the enforcement of a judgment of any such court, as to which such jurisdiction is non-exclusive) of such courts in any such suit, action or proceeding. Service of any process, summons, notice or document by certified mail to such party's address set forth above shall be effective service of process for any suit, action or other proceeding brought in any such court. The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action or other proceeding brought in any such court that has been brought in an inconvenient forum.

22. Entire Agreement. This Agreement constitutes the entire agreement of the parties to this Agreement with respect to the subject matter hereof and supersedes all prior written or oral and all contemporaneous oral agreements, understandings and negotiations with respect to the subject matter hereof.

23. <u>Sophisticated Parties; No Fiduciary Relationship</u>. Each of the parties hereto acknowledges that it is a sophisticated business person who was adequately represented by counsel during negotiations regarding the provisions hereof, including, without limitation, the indemnification and contribution provisions of Section 9, and is fully informed regarding said provisions. Janney Montgomery Scott LLC 1801 Market Street Philadelphia, PA 19103

Ladies and Gentlemen:

This Lock-Up Agreement (this "<u>Agreement</u>") is being delivered to you in connection with the Underwriting Agreement (the "<u>Underwriting Agreement</u>") to be entered into by American States Water Company (the "<u>Company</u>") and Janney Montgomery Scott LLC ("<u>Janney</u>"), Edward Jones & Co., L.P., and Brean Murray, Carret & Co. (collectively, the "<u>Underwriters</u>") with respect to the public offering of the common shares, no par value, of the Company ("<u>Common Shares</u>"). The undersigned is a director or officer of the Company and holds Common Shares. Capitalized terms used herein and not otherwise defined will have the meaning ascribed to them in the Underwriting Agreement.

As an inducement to the Underwriters to underwrite the above-mentioned public sale of Common Shares, the undersigned hereby agrees, from the date hereof and for a period of ninety (90) days (the "Lock-Up Period") from the date of the Final Prospectus Supplement related to the above-mentioned public sale of Common Shares (the "Supplement Date"), not to, directly or indirectly, sell, offer to sell, contract to sell, pledge, grant any option for the sale or purchase of, agree to sell or otherwise dispose of (collectively, "Disposition"), any Common Shares or any securities convertible into or exercisable or exchangeable for Common Shares beneficially owned by the undersigned now or on the Supplement Date, or with respect to which the undersigned now or on the Supplement Date has the power of Disposition, or enter into a transaction which would have the same effect, or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of Common Shares, whether any such aforementioned transaction is to be settled by delivery of Common Shares or such other securities, in cash or otherwise, or publicly disclose the intention to make any such Disposition, or to enter into any such transaction, swap, hedge or other arrangement, without, in each case, the prior written consent of Janney, on behalf of the Underwriters.

In addition, the undersigned agrees that, without the prior written consent of Janney, on behalf of the Underwriters, it will not, during the Lock-Up Period, make any demand for, or exercise any right with respect to, the registration of any Common Shares or any securities convertible into or exercisable or exchangeable for Common Shares.

The foregoing Agreement and the representation shall not apply to (i) bona fide gifts of securities, (ii) transfers of securities to "affiliates" of the transferor if the transfers do not involve a public distribution or public offering, (iii) the exercise of any option or warrant to acquire Common Shares or settlement of any restricted stock or restricted stock units, provided that any Common Shares obtained by such exercise or settlement shall remain subject to this Agreement, (iv) any transfers of Common Shares pursuant to the terms of the Company's 401(k) plan, (v) the pledge of Common Shares as collateral against loans by the undersigned, or (vi) the sale of Common Shares pledged as collateral to the extent necessary to satisfy such loans, <u>provided</u> that in the case of clauses (i), (ii), (v) or (vi) prior to the receipt of such Common Shares, the recipient of the Common Shares executes an agreement identical to this Agreement. The term "affiliate" shall have the meaning given such term in Rule 144 under the Act. The transferor shall notify the Underwriters in writing prior to engaging in any transaction or taking any other action that is subject to the terms of this Agreement during the Lock-Up Period.

In furtherance of the foregoing, the Company and its transfer agent are hereby authorized to decline to make any transfer of securities if such transfer would constitute a violation or breach of this Agreement. The undersigned also agrees and consents to the entry of stock transfer instructions with the Company's transfer agent against the transfer of any Common Shares or securities convertible into or exercisable or exchangeable for Common Shares.

This Agreement shall be binding on the undersigned and the successors, heirs, personal representatives and assigns of the undersigned. This Agreement shall lapse and become null and void if the public offering shall not have been consummated on or before June 30, 2009. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

Very truly yours,
