**AMENDMENT
TO THE
AMERICAN STATES WATER COMPANY
2003 NON-EMPLOYEE DIRECTORS STOCK PLAN
(As Amended and Restated Effective January 1, 2005)**

WHEREAS, American States Water Company maintains the American States Water Company 2003 Non-Employee Directors Stock Plan (the "Plan"); and

WHEREAS, Section 9 of the Plan provides that the Board of Directors may amend the Plan.

NOW, THEREFORE BE IT RESOLVED, the Plan is hereby amended as set forth below:

Effective as of November 1, 2006, Section 6 is amended in its entirety to read as follows:

"Section 6 Change in Capital Structure

6.1 Adjustments. Upon (or, as may be necessary to effect the adjustment, immediately prior to): any reclassification, recapitalization, stock split (including a stock split in the form of a stock dividend) or reverse stock split; any merger, combination, consolidation, or other reorganization; any spin-off, split-up, or similar extraordinary dividend distribution in respect of the Common Stock; or any exchange of Common Stock or other securities of the Corporation, or any similar, unusual or extraordinary corporate transaction in respect of the Common Stock; then the Committee shall equitably and proportionately adjust (1) the number and type of shares of Common Stock (or other securities) that thereafter may be made the subject of awards (including the specific share limits, maximums and numbers of shares set forth elsewhere in this Plan), (2) the number, amount and type of shares of Common Stock (or other securities or property) subject to any outstanding awards, (3) the grant, purchase, or exercise price of any outstanding awards, and/or (4) the securities, cash or other property deliverable upon exercise or payment of any outstanding awards, in each case to the extent appropriate to preclude the enlargement or dilution of rights and benefits under such awards.

It is intended that, if possible, any adjustments contemplated by the preceding paragraph be made in a manner that satisfies applicable legal, tax (including, without limitation and as applicable in the circumstances, Section 424 of the Code, Section 409A of the Code and Section 162(m) of the Code) and accounting (so as to not trigger any charge to earnings with respect to such adjustment) requirements.

Without limiting the generality of Section 8.3, any good faith determination by the Committee pursuant to this Section 6.1 shall be conclusive and binding on all persons.

6.2 Corporate Transactions-Assumption or Termination of Awards. Upon the occurrence of any of the following: any merger, combination, consolidation, or other reorganization; any exchange of Common Stock or other securities of the Corporation; a sale of all or substantially all the business, stock or assets of the Corporation; a dissolution of the Corporation; or any other event in which the Corporation does not survive (or does not survive as a public company in respect of its Common Stock); then the Committee may make provision for a cash payment in settlement of, or for the assumption, substitution or exchange of any or all outstanding share-based awards or the cash, securities or property deliverable to the holder of any or all outstanding share-based awards, based upon, to the extent relevant under the circumstances, the distribution or consideration payable to holders of the Common Stock upon or in respect of such event.

The Committee may adopt such valuation methodologies for outstanding awards as it deems reasonable in the event of a cash or property settlement and, in the case of options or similar rights, but without limitation on other methodologies, may base such settlement solely upon the excess if any of the per share amount payable upon or in respect of such event over the exercise or base price of the award.

In any of the events referred to in this Section 6.2, the Committee may take such action contemplated by this Section 6.2 prior to such event (as opposed to on the occurrence of such event) to the extent that the Committee deems the action necessary to permit the participant to realize the benefits intended to be conveyed with respect to the underlying shares.

Without limiting the generality of Section 8.3, any good faith determination by the Committee pursuant to its authority under this Section 6.2 shall be conclusive and binding on all persons.

6.3 Option Termination. To the extent that any vested Option is not exercised prior to (i) a dissolution of the company or (ii) a merger or other corporate event, and no provision is made for the assumption, conversion, substitution or exchange of the Option, the Option shall terminate upon the occurrence of such event."

IN WITNESS WHEREOF, American States Water Company has caused this Amendment to be executed on the 10th day of November, 2006.

Section 4. Stock Option Awards

4.1 Annual Award.

(a) On the date of each annual meeting of stockholders during the term of the Plan, each Non-Employee Director in office immediately following the annual meeting shall be granted, without further action by the Committee, (i) a Nonqualified Stock Option to purchase 1,000 shares of Common Stock at the 2003 Annual Meeting and the 2004 Annual Meeting, and (ii) a Nonqualified Stock Option to purchase 3,000 shares of

3

Common Stock commencing with the 2005 Annual Meeting and each Annual Meeting thereafter during the term of the Plan.

(b) If any person who was not a Non-Employee Director at the immediately preceding annual meeting of stockholders at which a grant is made pursuant to Section 4.1(a) becomes a Non-Employee Director within six months following such annual meeting, then such Non-Employee Director shall be granted, without any further action by the Committee, a Nonqualified Stock Option to purchase 3,000 shares of Common Stock, the Grant Date of which shall be the date the person takes office.

4.2 Maximum Number of Shares. Annual grants that would otherwise exceed the maximum number of shares allotted for issuance under the Plan contained in Section 7.1 shall be prorated within such limitation pursuant to Section 7.2.

4.3 Option Price. The exercise price per share of the Stock covered by each Option granted pursuant to this Section 4 shall be 100% of the Fair Market Value of the Stock on the Grant Date. The exercise price of any Option granted under this Section 4 shall be paid in full at the time of each purchase in cash, by electronic funds transfer, or by check or in shares of Stock valued at their Fair Market Value on the date the Participant exercises the Option, or partly in such shares and partly in cash, provided that any such shares used in payment that were previously acquired by the Participant from the Company upon exercise of an Option or otherwise shall have been owned by the Participant at least six months prior to the date of exercise. The Company shall not be obligated to deliver shares of Stock unless and until it receives full payment of the exercise price therefor and any related conditions of the Option have been satisfied.

4.4 Option Period and Exercisability. Each Option granted under this Section 4 and all rights or obligations thereunder shall expire 10 years after the Grant Date and shall be subject to earlier termination as provided below. Each Option shall be fully exercisable upon the Grant Date.

4.6 Option Agreements. Each Option granted to a Non-Employee Director shall be evidenced by an agreement in a form approved by the Committee and shall contain the terms and conditions consistent with the Plan as approved by the Committee relating to the Option.

4

4.7 Dividend Equivalent Credits to Option Dividend Equivalent Accounts.

(a) As of each dividend record date, a Participant's Option Dividend Equivalent Account shall be credited with Stock Units in an amount equal to the Dividend Equivalents representing dividends payable as of such dividend record date on a number of shares equal to the aggregate number of shares subject to each outstanding Option granted to such Participant divided by the then Fair Market Value of a share of Common Stock on the dividend record date. The Dividend Equivalents attributable to each Option granted to a Participant shall be credited to a separate Distribution Subaccount established for such Participant.

(b) Stock Units credited to the Participant's Distribution Subaccount with respect to an Option shall become payable to the Participant upon the earlier to occur of (1) the date the Option is exercised or (2) three years from the Grant Date.

(c) Stock Units credited to a Non-Employee Director's Option Dividend Equivalent Account shall at all times be fully vested and non-forfeitable and shall be distributed in an equivalent whole number of shares of Stock. Any fractional share interests shall be accumulated and paid in cash on the distribution date.

Section 5. Stock Units Awards

5.1 2003 Awards

(a) Continuing Eligible Non-Employee Directors. As of the date of the 2003 Annual Meeting, the Stock Unit Account of each person who is continuing in office as an Eligible Non-Employee Director immediately following such meeting shall be credited with a number of Stock Units equal to (1) \$15,000, multiplied by (2) the lesser of (i) the Non-Employee Director's years of prior Board service or (ii) 10, divided by (3) the Fair Market Value of a share of Common Stock on the last trading date prior to the 2003 Annual Meeting.

(b) New Non-Employee Directors. As of the date of the 2003 Annual Meeting, the Stock Unit Account of each person who first becomes a Non-Employee Director at the 2003 Annual Meeting shall be credited with a number of Stock Units equal to (1) the amount of the then-current annual retainer divided by (2) the Fair Market Value of a share of Common Stock on the last trading date prior to the 2003 Annual Meeting.

5.2 Annual Award. As of the date of each annual meeting of stockholders commencing in 2004, the Stock Unit Account of each Eligible Non-Employee Director in office immediately following the annual meeting, shall be credited with a number of Stock Units equal (1) the amount of the then-current annual retainer payable by the Company for services rendered as a director for such year, divided by (2) the Fair Market Value of Common Stock on the last trading date prior to such annual meeting; provided, however, that in no event shall the Stock Unit Account of an Eligible Non-Employee Director be credited with Stock Units with respect to more than 10 years of service (including, for this purpose, the number of years of service taken into account under Section 5.1(a)). Annual grants that would otherwise exceed the maximum

5

number of shares allotted for issuance under the Plan contained in Section 7.1 shall be prorated within such limitation pursuant to Section 7.2.

5.3 Crediting of Dividend Equivalents to Stock Unit Accounts.

(a) As of each dividend record date, an Eligible Non-Employee Director's Stock Unit Account shall be credited with additional Stock Units in an amount equal to the Dividend Equivalents representing dividends payable as of such dividend record date on a number of shares equal to the aggregate number of Units credited to the Participant's Stock Unit Account divided by the Fair Market Value of a share of Common Stock on the dividend record date.

(b) Stock Units credited in respect of Dividend Equivalents shall be paid in Stock at the same time and the same manner as the Stock Units to which they relate.

5.4 Units and Other Amounts Vest Immediately. All Units or other amounts credited to an Eligible Non-Employee Director's Stock Unit Account shall be at all times fully vested and not subject to a risk of forfeiture.

5.5 Distribution of Benefits.

(a) **Commencement of Benefits Distribution.** Subject to the terms of this Section 5.5 and Section 6, each Eligible Non-Employee Director shall be entitled to receive a distribution of his or her Stock Unit Account in the form of shares of Stock upon his or her termination of service as a director of the Company.

(b) **Manner of Distribution.** Upon an Eligible Non-Employee Director's termination of service as a director of the Company, the Company shall, subject to Section 7.2, deliver to the Participant (or his or her Beneficiary, as applicable) a number of shares of Stock equal to the number of Stock Units (as adjusted pursuant to Section 6, if applicable) to which the Participant is then entitled under the terms of this Section 5 of the Plan. Such distribution shall be made in a lump sum as soon as administratively practicable, but no later than 30 days, following the Participant's termination of service, unless the Participant elects in writing, as provided in Section 5.5(c), to receive a distribution of his or her benefits in respect of such Units in up to ten substantially equal annual installments.

(c) **Election for Installment Distribution; Changes in Elections.** A Participant may elect to receive his or her benefits in up to ten annual installments, and to subsequently change any prior distribution election, by filing a written election with the Committee on a form provided by the Committee; provided, however, that no such election shall be effective until at least twelve months after such election is filed with the Committee, and no such election shall become effective after a Non-Employee Director's termination of service. An election made pursuant to this Section 5.5(c) shall not affect the date of the commencement of benefits. Notwithstanding the foregoing, if the number of Stock Units credited to a Non-Employee Director's Stock Unit Account at the time of the termination of his or her service is less than 1,000, then his or her benefit under this Section 5 shall be paid in a lump sum.

6

Section 6. Changes in Capital Structure.

Upon or in contemplation of any reclassification, recapitalization, stock split (including a stock split in the form of a stock dividend) or reverse stock split; any merger, combination, consolidation, or other reorganization; any spin-off, split-up, or similar extraordinary dividend distribution ("spin-off") in respect of the Common Stock (whether in the form of securities or property); any exchange of Common Stock or other securities of the Company, or any similar, unusual or extraordinary corporate transaction in respect of the Common Stock; or a sale of all or substantially all the assets of the Company as an entirety ("asset sale"); then the Committee shall, in such manner, to such extent (if any) and at such time as it deems appropriate and equitable in the circumstances proportionately adjust any or all of (a) the number and type of shares of Common Stock (or other securities) that thereafter may be made the subject of Options, Stock Units and Accounts (including the specific maximums and numbers of shares set forth elsewhere in this Plan), (b) the number, amount and type of shares of Common Stock (or other securities or property) subject to any or all outstanding Options and payable in respect of Stock Units, (c) the grant, purchase, or exercise price of any or all outstanding Options, and the number and type of Stock Units credited under the Plan, or (d) the securities, cash or other property deliverable upon exercise of any outstanding Options and payable in respect of Stock Units or make provision for a cash payment or for the assumption, substitution or exchange of any or all outstanding Options and Stock Units or the cash, securities or property deliverable to the holder of any or all outstanding Options and Stock Units, based upon the distribution or consideration payable to holders of the Common Stock upon or in respect of such event.

The Committee may adopt such valuation methodologies for outstanding Options and Stock Units as it deems reasonable in the event of a cash or property settlement and, in the case of Options, but without limitation on other methodologies, may base such settlement solely upon the excess if any of the amount payable upon or in respect of such event over the exercise price of the Option.

To the extent that any vested Option is not exercised prior to (i) a dissolution of the Company or (ii) a merger or other corporate event, and no provision is made for the assumption, conversion, substitution or exchange of the Option, the Option shall terminate upon the occurrence of such event.

Section 7. Shares Subject To The Plan; Share Limits

7.1 Shares Available for Issuance. Subject to adjustment under Section 6, the aggregate number of shares of Stock that may be issued or delivered under the Plan shall not exceed 250,000 shares. Stock delivered by the Company under the Plan shall be shares of authorized and unissued shares of Stock and/or previously issued Stock held as treasury shares and shall be fully paid and non-assessable when issued. Shares issuable on exercise of Options or payment of Stock Units shall be reserved for issue, and to the extent that awards terminate or expire without payment in shares, the shares will be available for subsequent grants or accretions. Subject to adjustment under Section 6, the aggregate number of Stock Units that may be issued or delivered under the Plan is 118,000.

7

7.2 Share Limits; Cut Backs. If any grant of an Option or the award or crediting of Stock Units would cause the sum of the shares of Stock previously issued and shares issuable under outstanding awards under the Plan to exceed the maximum number of shares authorized under the Plan, the Company shall prorate among the Non-Employee Directors the grant of new Options or award of Stock Units and allocate the number of remaining shares available for issuance first to the grant of Options and second toward the award of Award Units. If and for so long as no available share authorization remains, no additional Options shall be granted or Stock Units credited and cash shall be paid in lieu of dividend equivalents under Sections 4.7 and 5.3 for such duration.

7.3 Fractional Shares; Minimum Issue. Fractional share interests may be accumulated but shall not be issued. Cash will be paid or transferred in lieu of any fractional share interests that remain upon a final distribution under the Plan. No fewer than 100 shares may be purchased on exercise of an Option at any one time unless the number purchased is the total number at the time available for purchase under the Option.

Section 8. Administration

8.1 The Administrator.

The Administrator of this Plan shall be the Board as a whole or a Committee as appointed from time to time by the Board to serve as administrator of this Plan. The participating members of any Committee so acting shall include, as to decisions in respect of participants who are subject to Section 16 of the Exchange Act, only those members who are Non-Employee Directors (as defined in Rule 16b-3 promulgated under the Exchange Act). Members of the Committee shall not receive any additional compensation for administration of this Plan.

8.2 Committee Action.

A member of the Committee shall not vote or act upon any matter which relates solely to himself or herself as a Participant in this Plan. Action of the Committee with respect to the administration of this Plan shall be taken pursuant to a majority vote or (assuming compliance with Section 8.1) by unanimous written consent of its members.

8.3 Rights and Duties; Delegation and Reliance; Decisions Binding.

Subject to the limitations of this Plan, the Committee shall be charged with the general administration of this Plan and the responsibility for carrying out its provisions, and shall have powers necessary to accomplish those purposes, including, but not by way of limitation, the following:

- (a) To construe and interpret this Plan;
- (b) To resolve any questions concerning the amount of benefits payable to a Participant (except that no member of the Committee shall participate in a decision relating solely to his or her own benefits);

8

-
- (c) To make adjustments under Section 6 and all other determinations required by this Plan;
 - (d) To maintain all the necessary records for the administration of this Plan; and
 - (e) To make and publish forms, rules and procedures for the administration of this Plan.

The determination of the Committee made in good faith as to any disputed question or controversy and the Committee's determination of benefits payable to Participants, including decisions as to adjustments under Section 6, shall be conclusive and binding for all purposes of this Plan. In performing its duties, the Committee shall be entitled to rely on information, opinions, reports or statements prepared or presented by: (i) officers or employees of the Company whom the Committee believes to be reliable and competent as to such matters; and (ii) counsel (who may be employees of the Company), independent accountants and other persons as to matters which the Committee believes to be within such persons' professional or expert competence. The Committee shall be fully protected with respect to any action taken or omitted by it in good faith pursuant to the advice of such persons. The Committee may delegate ministerial, bookkeeping and other non-discretionary functions to individuals who are officers or employees of the Company.

Section 9. Amendment and Termination; Stockholder Approval

9.1 Amendment and Termination. Subject to Section 9.2, the Board shall have the right to amend this Plan in whole or in part from time to time or may at any time suspend or terminate this Plan; provided, however, that, except as contemplated by Section 6, no amendment or termination shall cancel or otherwise adversely affect in any way, without his or her written consent, any Participant's rights with respect to Stock Units credited to his or her Accounts or Options granted; and provided further that neither Section 4 nor any other provision of the Plan or an award shall be amended to permit the reduction (by amendment, substitution, cancellation and regrant or other means) of the exercise price of any Option without prior stockholder approval. Any amendments authorized hereby shall be stated in an instrument in writing, and all Participants shall be bound by such amendment. Changes contemplated by Section 6 shall not be deemed to constitute changes or amendments for purposes of this Section 9.1.

9.2 Stockholder Approval. The Plan, any grant, election, action, crediting or vesting prior to stockholder approval, shall be subject to approval of the Plan by the stockholders of the Company and, to the extent required under applicable law or listing agency rule, required by the provisions of Section 9.1, or deemed necessary or advisable by the Board, any amendment to the Plan shall be subject to stockholder approval.

Section 10. Miscellaneous

10.1 Limitation on Participants' Rights. Participation in this Plan shall not give any person the right to continue to serve as a member of the Board or any rights or interests other than as expressly provided herein. This Plan shall create only a contractual obligation on the part

9

of the Company as to such amounts and shall not be construed as creating a trust or fiduciary relationship between the Company, the Board, the Committee, and any Participant or other person. This Plan, in and of itself, has no assets. Participants shall have only the rights of a general unsecured creditor of the Company with respect to amounts credited and benefits payable, if any, on their Accounts, and rights no greater than the right to receive the Common Stock (or equivalent value as a general unsecured creditor) with respect to Accounts. Participants shall not be entitled to receive actual dividends or to vote Shares until after delivery of a certificate representing the Shares.

10.2 Beneficiaries.

(a) **Beneficiary Designation.** Upon forms provided by the Company each Non-Employee Director may designate in writing the Beneficiary or Beneficiaries (as defined in Section 10.2(b)) whom such Non-Employee Director desires to receive any amounts payable under the Plan after his or her death. Beneficiary designation forms shall be effective on the date that the form is received by the Corporate Secretary. A Non-

Employee Director may from time to time change his or her designated Beneficiary or Beneficiaries without the consent of such Beneficiary or Beneficiaries by filing a new designation in writing with the Corporate Secretary. However, if a married Non-Employee Director wishes to designate a person other than his or her spouse as Beneficiary, such designation shall be consented to in writing by the spouse. The Non-Employee Director may change any election designating a Beneficiary or Beneficiaries without any requirement of further spousal consent if the spouse's consent so provides. Notwithstanding the foregoing, spousal consent shall not be necessary if it is established that the required consent cannot be obtained because the spouse cannot be located or because of other circumstances prescribed by the Committee. The Company and the Committee may rely on the Non-Employee Director's designation of a Beneficiary or Beneficiaries last filed in accordance with the terms of the Plan.

(b) **Definition of Beneficiary.** A Participant's "Beneficiary" or "Beneficiaries" shall be the person, persons, trust or trusts (or similar entity) designated by the Participant or, in the absence of a designation, entitled by will or the laws of descent and distribution to receive the Participant's benefits under this Plan in the event of the Participant's death, and shall mean the Participant's executor or administrator if no other Beneficiary is identified and able to act under the circumstances.

10.3 Non-Transferability. A Participant's rights and interests under the Plan in respect of Options and Stock Units, including amounts payable or Stock deliverable under or in respect thereof, may not be assigned, pledged, or transferred except:

(a) in the event of a Participant's death, to a designated beneficiary as provided in Section 10.2(b) above, or in the absence of such designation, by will or the laws of descent and distribution; or

(b) in the case of Options, with the consent of the Committee evidenced in writing or by duly adopted resolution, to certain persons or entities related to the Participant, including but not limited to members of the Participant's immediate family,

10

charitable institutions, or trusts or other entities whose beneficiaries or beneficial owners are members of the Participant's immediate family and/or charitable institutions, pursuant to such conditions and procedures as the Committee may establish. Any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for essentially estate and/or tax planning purposes or a gratuitous or donative basis and without consideration (other than nominal consideration or in exchange for an interest in a qualified transferee) and only if such transfer would not adversely affect the Company's eligibility to use Form S-8 to register under the Securities Act of 1933, as amended, the offering of shares issuable under the Plan by the Company.

The above exercise and transfer restrictions shall not apply to transfers to the Company or transfers pursuant to a court order.

10.4 Obligations Binding Upon Successors.

Obligations of the Company under this Plan shall be binding upon successors of the Company.

10.5 Governing Law; Severability.

The validity of this Plan and any agreements entered into under the Plan or any of its provisions shall be construed, administered and governed in all respects under the laws of the State of California. If any provisions of this Plan shall be held by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions hereof shall continue to be fully effective.

10.6 Compliance with Laws.

This Plan and the offer, issuance and delivery of shares of Common Stock and/or the payment of benefits under this Plan are subject to compliance with all applicable federal and state laws, rules and regulations (including but not limited to state and federal securities law) and to such approvals by any listing, agency or any regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Any securities delivered under this Plan shall be subject to prior registration or such restrictions as the Company may deem necessary or desirable to assure compliance with all applicable legal requirements, and the person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company as it may reasonably request to assure such compliance.

10.7 Limitations on Rights Associated with Units. A Non-Employee Director's Accounts shall be a memorandum account on the books of the Company. The Units credited to a Non-Employee Director's Accounts shall be used solely as a device for the determination of the number of shares of Stock to be distributed to the Participant in accordance with this Plan following his or her termination of service as a director of the Company. The Units shall not be treated as property or as a trust fund of any kind. No Participant shall be entitled to any voting or other stockholder rights with respect to Units credited under this Plan. The number of Units credited to a Participant's Accounts shall be subject to adjustment in accordance with Section 6 and the terms of this Plan.

11

10.8 Plan Construction.

It is the intent of the Company that transactions pursuant to this Plan satisfy and be interpreted in a manner that satisfies the applicable conditions for exemption under Rule 16b-3 promulgated under the Exchange Act ("Rule 16b-3") so that, to the extent consistent therewith, the crediting of Units and the payment of Stock as well as grants of Options will be entitled to the benefits of Rule 16b-3 or other exemptive rules under Section 16 of the Exchange Act and will not be subjected to avoidable liability thereunder.

10.9 Headings Not Part of Plan.

**AMENDMENT
TO THE
AMERICAN STATES WATER COMPANY
2000 STOCK INCENTIVE PLAN
(As Amended as of January 31, 2006)**

WHEREAS, American States Water Company (the “Corporation”) maintains the American States Water Company 2000 Stock Incentive Plan (the “Plan”); and

WHEREAS, Section 5.6 of the Plan provides that the Board of Directors may amend the Plan.

NOW, THEREFORE BE IT RESOLVED, that the Plan be, and it hereby is, amended as set forth below:

Effective as of November 1, 2006, Section 5.2(a) is amended in its entirety to read as follows:

“(a)(1) Adjustments. Upon (or, as may be necessary to effect the adjustment, immediately prior to): any reclassification, recapitalization, stock split (including a stock split in the form of a stock dividend) or reverse stock split; any merger, combination, consolidation, or other reorganization; any spin-off, split-up, or similar extraordinary dividend distribution in respect of the Common Stock; or any exchange of Common Stock or other securities of the Corporation, or any similar, unusual or extraordinary corporate transaction in respect of the Common Stock; then the Committee shall equitably and proportionately adjust (1) the number and type of shares of Common Stock (or other securities) that thereafter may be made the subject of awards (including the specific share limits, maximums and numbers of shares set forth elsewhere in this Plan), (2) the number, amount and type of shares of Common Stock (or other securities or property) subject to any outstanding awards, (3) the grant, purchase, or exercise price of any outstanding awards, and/or (4) the securities, cash or other property deliverable upon exercise or payment of any outstanding awards, in each case to the extent appropriate to preclude the enlargement or dilution of rights and benefits under such awards.

Unless otherwise expressly provided in the applicable award agreement, upon (or, as may be necessary to effect the adjustment, immediately prior to) any event or transaction described in the preceding paragraph or a sale of all or substantially all of the business or assets of the Corporation as an entirety, the Committee shall equitably and proportionately adjust the performance standards applicable to any then-outstanding performance-based awards to the extent necessary to preserve (but not increase) the level of incentives intended by the Plan and the then-outstanding performance-based awards.

It is intended that, if possible, any adjustments contemplated by the preceding two paragraphs be made in a manner that satisfies applicable legal, tax (including, without limitation and as applicable in the circumstances, Section 424 of the Code, Section 409A of the Code and Section 162(m) of the Code) and accounting (so as to not trigger any charge to earnings with respect to such adjustment) requirements.

Without limiting the generality of Section 1.2, any good faith determination by the Committee pursuant to this Section 5.2(a)(1) shall be conclusive and binding on all persons.

(2) Corporate Transactions-Assumption or Termination of Awards. Upon the occurrence of any of the following: any merger, combination, consolidation, or other reorganization; any exchange of Common Stock or other securities of the Corporation; a sale of all or substantially all the business, stock or assets of the Corporation; a dissolution of the Corporation; or any other event in which the Corporation does not survive (or does not survive as a public company in respect of its Common Stock); then the Committee may make provision for a cash payment in settlement of, or for the assumption, substitution or exchange of any or all outstanding share-based awards or the cash, securities or property deliverable to the holder of any or all outstanding share-based awards, based upon, to the extent relevant under the circumstances, the distribution or consideration payable to holders of the Common Stock upon or in respect of such event.

The Committee may adopt such valuation methodologies for outstanding awards as it deems reasonable in the event of a cash or property settlement and, in the case of Options or similar rights, but without limitation on other methodologies, may base such settlement solely upon the excess if any of the per share amount payable upon or in respect of such event over the exercise or base price of the award.

In any of the events referred to in this Section 5.2(a)(2), the Committee may take such action contemplated by this Section 5.2(a)(2) prior to such event (as opposed to on the occurrence of such event) to the extent that the Committee deems the action necessary to permit the participant to realize the benefits intended to be conveyed with respect to the underlying shares.

Without limiting the generality of Section 1.2, any good faith determination by the Committee pursuant to this Section 5.2(a)(2) shall be conclusive and binding on all persons.”

IN WITNESS WHEREOF, this Corporation has caused its duly authorized officer to execute this Amendment on this 10th day of November, 2006.

AMERICAN STATES WATER COMPANY
2000 STOCK INCENTIVE PLAN
(As Amended as of January 31, 2006)

1. THE PLAN

1.1 Purpose

The purpose of this Plan is to promote the success of the Company by providing an additional means through the grant of Awards to attract, motivate, retain and reward key employees, including officers, whether or not directors, of the Company with awards and incentives for high levels of individual performance and improved financial performance of the Company. "Corporation" means American States Water Company and "Company" means the Corporation and its Subsidiaries, collectively. These terms and other capitalized terms are defined in Article 6.

1.2 Administration and Authorization; Power and Procedure.

(a) Committee. This Plan shall be administered by and all Awards to Eligible Employees shall be authorized by the Committee. Action of the Committee with respect to the administration of this Plan shall be taken pursuant to a majority vote or by written consent of its members.

(b) Plan Awards; Interpretation; Powers of Committee. Subject to the express provisions of this Plan, the Committee shall have the authority:

(i) to determine eligibility and, from among those persons determined to be eligible, the particular Eligible Employees who will receive an Award;

(ii) to grant Awards to Eligible Employees, determine the price at which securities will be offered or awarded and the amount of securities to be offered or awarded to any of such persons, and determine the other specific terms and conditions of such Awards consistent with the express limits of this Plan, and establish the installments (if any) in which such Awards shall become exercisable or shall vest, or determine that no delayed exercisability or vesting is required, and establish the events of termination or reversion of such Awards;

(iii) to approve the forms of Award Agreements (which need not be identical either as to type of award or among Participants);

(iv) to construe and interpret this Plan and any agreements defining the rights and obligations of the Company and Participants under this Plan, further define the terms used in this Plan, and prescribe, amend and rescind rules and regulations relating to the administration of this Plan;

(v) to cancel, modify, or waive the Corporation's rights with respect to, or modify, discontinue, suspend, or terminate any or all

outstanding Awards held by Eligible Employees, subject to any required consent under Section 5.6;

(vi) to accelerate or extend the exercisability or extend the term of any or all such outstanding Awards (in the case of Options, within the maximum ten-year term of such Awards under Section 1.6); and

(vii) to make all other determinations and take such other action as contemplated by this Plan or as may be necessary or advisable for the administration of this Plan and the effectuation of its purposes.

(c) Binding Determinations/Liability Limitation. Any action taken by, or inaction of, the Corporation, any Subsidiary, the Board or the Committee relating or pursuant to this Plan and within its authority hereunder or under applicable law shall be within the absolute discretion of that entity or body and shall be conclusive and binding upon all persons. Neither the Board nor any Committee, nor any member thereof or person acting at the direction thereof, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with this Plan (or any Award made under this Plan), and all such persons shall be entitled to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including, without limitation, attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under any directors and officers liability insurance coverage that may be in effect from time to time.

(d) Reliance on Experts. In making any determination or in taking or not taking any action under this Plan, the Committee or the Board, as the case may be, may obtain and may rely upon the advice of experts, including professional advisors to the Corporation. No director, officer or agent of the Company shall be liable for any such action or determination taken or made or omitted in good faith.

(e) Delegation. The Committee may delegate ministerial, non-discretionary functions to individuals who are officers or employees of the Company.

1.3 Participation

Awards may be granted by the Committee only to those persons that the Committee determines to be Eligible Employees. An Eligible Employee who has been granted an Award may, if otherwise eligible, be granted additional Awards if the Committee shall so determine.

1.4 Shares Available for Awards; Share Limits.

(a) Shares Available. Subject to the provisions of Section 5.2, the capital stock that may be delivered under this Plan shall be shares of the Corporation's authorized but unissued Common Stock. The shares may be delivered for any lawful consideration.

(b) Share Limits. The maximum number of shares of Common Stock that may be delivered pursuant to Awards granted to Eligible Employees under this Plan shall not exceed 1,050,000 shares (the "Share Limit"). The maximum number of shares of Common Stock that may be delivered

Options granted under this Plan is 187,500 shares. The maximum number of shares subject to those options that are granted during any calendar year to any individual shall be limited to 50,000 and the maximum individual limit on the number of shares in the aggregate subject to all Awards that during any calendar year are granted under this Plan shall be 50,000. Each of the four foregoing numerical limits shall be subject to adjustment as contemplated by this Section 1.4 and Section 5.2.

(c) Share Reservation; Replenishment and Reissue of Unvested Awards. No Award may be granted under this Plan unless, on the date of grant, the sum of (i) the maximum number of shares issuable at any time pursuant to such Award, plus (ii) the number of shares that have previously been issued pursuant to Awards granted under this Plan, other than reacquired shares available for reissue consistent with any applicable legal limitations, plus (iii) the maximum number of shares that may be issued at any time after such date of grant pursuant to Awards that are outstanding on such date, does not exceed the Share Limit. Shares that are subject to or underlie Awards which expire or for any reason are cancelled or terminated, are forfeited, fail to vest, or for any other reason are not paid or delivered under this Plan, as well as reacquired shares, shall again, except to the extent prohibited by law, be available for subsequent Awards under the Plan. Except as limited by law, if an Award is or may be settled only in cash, such Award need not be counted against any of the limits under this Section 1.4.

1.5 Grant of Awards.

Subject to the express provisions of this Plan, the Committee shall determine the number of shares of Common Stock subject to each Award and the price (if any) to be paid for the shares or the Award. Each Award shall be evidenced by an Award Agreement signed by the Corporation and, if required by the Committee, by the Participant. The Award Agreement shall set forth the material terms and conditions of the Award established by the Committee consistent with the specific provisions of this Plan.

1.6 Award Period.

Each Award and all executory rights or obligations under the related Award Agreement shall expire on such date (if any) as shall be determined by the Committee, but in the case of Options not later than ten (10) years after the Award Date.

1.7 Limitations on Exercise and Vesting of Awards.

(a) Provisions for Exercise. Unless the Committee otherwise expressly provides, no Award shall be exercisable or shall vest until at least six months after the initial Award Date, and once exercisable an Award shall remain exercisable until the expiration or earlier termination of the Award.

(b) Procedure. Any exercisable Award shall be deemed to be exercised when the Secretary of the Corporation receives written notice of such exercise from the Participant, together with any required payment made in accordance with Section 2.2.

(c) Fractional Shares/Minimum Issue. Fractional share interests shall be disregarded, but may be accumulated. The Committee, however, may determine in the

case of Eligible Employees that cash, other securities, or other property will be paid or transferred in lieu of any fractional share interests. No fewer than 100 shares may be purchased on exercise of any Award at one time unless the number purchased is the total number at the time available for purchase under the Award.

1.8 Acceptance of Notes to Finance Exercise.

To the extent permitted by applicable law, the Corporation may, with the Committee's approval, accept one or more notes from any Eligible Employee in connection with the exercise or receipt of any outstanding Award; provided that any such note shall be subject to the following terms and conditions:

(a) The principal of the note shall not exceed the amount required to be paid to the Corporation upon the exercise or receipt of one or more Awards under the Plan and the note shall be delivered directly to the Corporation in consideration of such exercise or receipt.

(b) The initial term of the note shall be determined by the Committee; provided that the term of the note, including extensions, shall not exceed a period of five years.

(c) The note shall provide for full recourse to the Participant and shall bear interest at a rate determined by the Committee but not less than the interest rate necessary to avoid the imputation of interest under the Code.

(d) If the employment of the Participant terminates, the unpaid principal balance of the note shall become due and payable on the 10th business day after such termination; provided, however, that if a sale of such shares would cause such Participant to incur liability under Section 16(b) of the Exchange Act, the unpaid balance shall become due and payable on the 10th business day after the first day on which a sale of such shares could have been made without incurring such liability assuming for these purposes that there are no other transactions (or deemed transactions in securities of this Corporation) by the Participant subsequent to such termination.

(e) If required by the Committee or by applicable law, the note shall be secured by a pledge of any shares or rights financed thereby in compliance with applicable law.

(f) The terms, repayment provisions, and collateral release provisions of the note and the pledge securing the note shall conform with applicable rules and regulations of the Federal Reserve Board as then in effect.

1.9 No Transferability; Limited Exception to Transfer Restrictions.

(a) Limit On Exercise and Transfer. Unless otherwise expressly provided in (or pursuant to) this Section 1.9, by applicable law and by the Award Agreement, as the same may be amended, (i) all Awards are non-transferable and shall not be subject in any manner to sale, transfer, anticipation, alienation, assignment, pledge, encumbrance or charge; (ii) awards shall be exercised only by the Participant; and (iii) amounts payable or shares issuable pursuant to an Award shall be delivered only to (or for the account of) the Participant.

4

(b) Exceptions. The Committee may permit Awards to be exercised by and paid only to certain persons or entities related to the Participant, including but not limited to members of the Participant's immediate family, or trusts or other entities whose beneficiaries or beneficial owners are members of the Participant's immediate family, pursuant to such conditions and procedures as the Committee may establish. Any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for essentially estate and/or tax planning purposes on a gratuitous or donative basis and without consideration (other than nominal consideration or in exchange for an interest in a qualified transferee). Notwithstanding the foregoing or anything to the contrary in Section 1.9(c), ISOs and Restricted Stock Awards shall be subject to any and all additional transfer restrictions under the Code.

(c) Further Exceptions to Limits On Transfer. The exercise and transfer restrictions in Section 1.9(a) shall not apply to:

(i) transfers to the Corporation,

(ii) the designation of a beneficiary to receive benefits in the event of the Participant's death or, if the Participant has died, transfers to or exercise by the Participant's beneficiary, or, in the absence of a validly designated beneficiary, transfers by will or the laws of descent and distribution,

(iii) transfers pursuant to a QDRO order if approved or ratified by the Committee,

(iv) if the Participant has suffered a disability, permitted transfers or exercises on behalf of the Participant by his or her legal representative, or

(v) the authorization by the Committee of "cashless exercise" procedures with third parties who provide financing for the purpose of (or who otherwise facilitate) the exercise of Awards consistent with applicable laws and the express authorization of the Committee.

2. OPTIONS.

2.1 Grants.

One or more Options may be granted under this Article to any Eligible Employee. Each Option granted shall be designated in the applicable Award Agreement, by the Committee as either an Incentive Stock Option, subject to Section 2.3, or a Non-Qualified Stock Option.

2.2 Option Price.

(a) Pricing Limits. The purchase price per share of the Common Stock covered by each Option shall be determined by the Committee at the time of the Award, but shall not be less than 100% (110% in the case of an ISO granted to a Participant

5

described in Section 2.4) of the Fair Market Value of the Common Stock on the date of grant.

(b) Payment Provisions. The purchase price of any shares purchased on exercise of an Option granted under this Article shall be paid in full at the time of each purchase in one or a combination of the following methods: (i) in cash or by electronic funds transfer; (ii) by check payable to the order of the Corporation; (iii) if authorized by the Committee or specified in the applicable Award Agreement, by a promissory note of the Participant consistent with the requirements of Section 1.8; (iv) by notice and third party payment in such manner as may be authorized by the Committee; or (v) by the delivery of shares of Common Stock of the Corporation already owned by the Participant, provided, however, that the Committee may in its absolute discretion limit the Participant's ability to exercise an Award by delivering such shares, and provided further that any shares delivered which were initially acquired upon exercise of a stock option must have been owned by the Participant at least six months as of the date of delivery. Shares of Common Stock used to satisfy the exercise price of an Option shall be valued at their Fair Market Value on the date of exercise.

2.3 Limitations on Grant and Terms of Incentive Stock Options.

(a) \$100,000 Limit. To the extent that the aggregate "Fair Market Value" of stock with respect to which incentive stock options first become exercisable by a Participant in any calendar year exceeds \$100,000, taking into account both Common Stock subject to Incentive Stock Options under

this Plan and stock subject to incentive stock options under all other plans of the Company, such options shall be treated as Nonqualified Stock Options. For this purpose, the "Fair Market Value" of the stock subject to options shall be determined as of the date the options were awarded. In reducing the number of options treated as incentive stock options to meet the \$100,000 limit, the most recently granted options shall be reduced first. To the extent a reduction of simultaneously granted options is necessary to meet the \$100,000 limit, the Committee may, in the manner and to the extent permitted by law, designate which shares of Common Stock are to be treated as shares acquired pursuant to the exercise of an Incentive Stock Option.

(b) Option Period. Each Option and all rights thereunder shall expire no later than 10 years after the Award Date.

(c) Other Code Limits. Incentive Stock Options may only be granted to Eligible Employees of the Corporation or a Subsidiary that satisfies the other eligibility requirements of the Code. There shall be imposed in any Award Agreement relating to Incentive Stock Options such other terms and conditions as from time to time are required in order that the Option be an "incentive stock option" as that term is defined in Section 422 of the Code.

2.4 Limits on 10% Holders.

No Incentive Stock Option may be granted to any person who, at the time the Option is granted, owns (or is deemed to own under Section 424(d) of the Code) shares of outstanding Common Stock possessing more than 10% of the total combined voting power of all classes of stock of the Corporation, unless the exercise price of such

6

Option is at least 110% of the Fair Market Value of the stock subject to the Option and such Option by its terms is not exercisable after the expiration of five years from the date such Option is granted.

2.5 Option Repricing/Cancellation and Regrant/Waiver of Restrictions.

Subject to Section 1.4 and Section 5.6 and the specific limitations on Awards contained in this Plan, the Committee from time to time may authorize, generally or in specific cases only, for the benefit of any Eligible Employee any adjustment in the exercise or purchase price, the vesting schedule, the number of shares subject to, the restrictions upon or the term of, an Option granted under this Article by cancellation of an outstanding Option and a subsequent regranting of an Option, by amendment, by substitution of an outstanding Option, by waiver or by other legally valid means. Such amendment or other action may result in, among other changes, an exercise or purchase price which is higher or lower than the exercise or purchase price of the original or prior Option, provide for a greater or lesser number of shares subject to the Option, or provide for a longer or shorter vesting or exercise period; provided, however, that, except for adjustments contemplated by Section 5.2, any such amendment that results in the reduction of the exercise or purchase price below the exercise price or purchase price of the original or prior Option shall be subject to prior shareholder approval.

2.6 Effects of Termination of Employment; Termination of Subsidiary Status; Discretionary Provisions.

(a) Options - Resignation or Dismissal. If the Participant's employment by the Company terminates for any reason (the date of such termination being referred to as the "Severance Date") other than Retirement, Total Disability or death, or for Cause (as determined in the discretion of the Committee), the Participant shall have, unless otherwise provided in the Award Agreement and subject to earlier termination pursuant to or as contemplated by Section 1.6 or 5.2, three months after the Severance Date to exercise any Option to the extent it shall have become exercisable on the Severance Date. In the case of a termination for Cause, the Option shall terminate on the Severance Date. In other cases, the Option, to the extent not exercisable on the Severance Date, shall terminate.

(b) Options - Death or Disability. If the Participant's employment by the Company terminates as a result of Total Disability or death, the Participant, Participant's Personal Representative or his or her Beneficiary, as the case may be, shall have, unless otherwise provided in the Award Agreement and subject to earlier termination pursuant to or as contemplated by Section 1.6 or 5.2, until 12 months after the Severance Date to exercise any Option to the extent it shall have become exercisable by the Severance Date. Any Option to the extent not exercisable on the Severance Date shall terminate.

(c) Options - Retirement. If the Participant's employment by the Company terminates as a result of Retirement, the Participant, Participant's Personal Representative or his or her Beneficiary, as the case may be, shall have, unless otherwise provided in the Award Agreement and subject to earlier termination pursuant to or as contemplated by Section 1.6 or 5.2, until 12 months after the Severance Date to exercise

7

any Option to the extent it shall have become exercisable by the Severance Date. The Option, to the extent not exercisable on the Severance Date, shall terminate.

(d) Committee Discretion. Notwithstanding the foregoing provisions of this Section 2.6, in the event of, or in anticipation of, a termination of employment with the Company for any reason, other than discharge for Cause, the Committee may, in its discretion, increase the portion of the Participant's Option available to the Participant, or Participant's Beneficiary or Personal Representative, as the case may be, or, subject to the provisions of Section 1.6, extend the exercisability period upon such terms as the Committee shall determine and expressly set forth in or by amendment to the Award Agreement; provided, however, that in no event shall any such extension of the exercisability period exceed the latest of (i) the 15th day of the third month following the date that the Option would have otherwise terminated in connection with a termination of employment, (ii) December 31 of the calendar year in which the Option would have otherwise terminated in connection with a termination of employment (but in no event shall such exercisability period be extended to a date after the termination of the original term pursuant to Section 1.6 hereof), or (iii) such other date that is allowable under Section 409A of the Code without making the Option subject to Section 409A.

3. RESTRICTED STOCK AWARDS.

3.1 Grants.

The Committee may, in its discretion, grant one or more Restricted Stock Awards to any Eligible Employee. Each Restricted Stock Award Agreement shall specify the number of shares of Common Stock to be issued to the Participant, the date of such issuance, the consideration for such shares (but not less than the minimum lawful consideration under applicable state law) by the Participant, the extent (if any) to which and the time (if ever) at which the Participant shall be entitled to dividends, voting and other rights in respect of the shares prior to vesting, and the restrictions (which may be based on performance criteria, passage of time or other factors or any combination thereof) imposed on such shares and the conditions of release or lapse of such restrictions. Such restrictions shall not lapse earlier than six months after the Award Date, except to the extent the Committee may otherwise provide. Stock certificates evidencing shares of Restricted Stock pending the lapse of the restrictions (“Restricted Shares”) shall bear a legend making appropriate reference to the restrictions imposed hereunder and shall be held by the Corporation or by a third party designated by the Committee until the restrictions on such shares shall have lapsed and the shares shall have vested in accordance with the provisions of the Award and Section 1.7. Upon issuance of the Restricted Stock Award, the Participant may be required to provide such further assurance and documents as the Committee may require to enforce the restrictions.

3.2 Restrictions.

(a) Pre-Vesting Restraints. Except as provided in Section 3.1 and 1.9, restricted shares comprising any Restricted Stock Award may not be sold, assigned, transferred, pledged or otherwise disposed of or encumbered, either voluntarily or involuntarily, until the restrictions on such shares have lapsed and the shares have become vested.

8

(b) Dividend and Voting Rights. Unless otherwise provided in the applicable Award Agreement, a Participant receiving a Restricted Stock Award shall be entitled to cash dividend and voting rights for all shares issued even though they are not vested, provided that such rights shall terminate immediately as to any Restricted Shares which cease to be eligible for vesting.

(c) Cash Payments. If the Participant shall have paid or received cash (including any dividends) in connection with the Restricted Stock Award, the Award Agreement shall specify whether and to what extent such cash shall be returned (with or without an earnings factor) as to any Restricted Shares which cease to be eligible for vesting.

3.3 Return to the Corporation.

Unless the Committee otherwise expressly provides, Restricted Shares that remain subject to restrictions at the time of termination of employment or are subject to other conditions to vesting that have not been satisfied by the time specified in the applicable Award Agreement shall not vest and shall be returned to the Corporation in such manner and on such terms as the Committee shall therein provide.

4. STOCK UNIT AWARDS

4.1 Grants.

The Committee may, in its discretion, (a) authorize and grant to any Eligible Employee a Stock Unit Award, (b) credit to any Eligible Employee Stock Units, (c) permit an Eligible Employee to irrevocably elect to defer by means of Stock Units or receive in Stock Units all or a portion of any Award hereunder, or (d) grant Stock Units in lieu of, in exchange for, in respect of, or in addition to any other compensation or Award under this Plan. The specific terms, conditions, and provisions relating to each Stock Unit grant or election, including the applicable vesting and payout provisions of the Stock Units and the form of payment to be made at or following the vesting thereof, shall be set forth in or pursuant to the applicable Award Agreement and any relevant Company bonus, performance or other service or deferred compensation plan, in form substantially as approved by the Committee, in each case subject to compliance with Section 409A of the Code.

4.2 Payouts.

Subject to compliance with Section 409A of the Code, the Committee in the applicable Stock Unit Award Agreement or other award agreement or the relevant Company deferred compensation plan may permit the Eligible Employee to elect the form and time of payout of vested Stock Units on such conditions or subject to such procedures as the Committee may impose, and may permit Stock Unit offsets or other provision for payment of any applicable taxes that may be due on the crediting, vesting or payment in respect of the Stock Units.

4.3 Non-Transferability.

Rights in respect of Stock Unit awards may not be sold, pledged, assigned, hypothecated, transferred, or otherwise disposed of or encumbered, either voluntarily or

9

involuntarily, other than by will or the laws of descent or distribution, until any restrictions have lapsed and the shares issuable pursuant to the Stock Unit award have been issued.

4.4 Dividend Equivalent Rights.

In its discretion, the Committee may grant to any Eligible Employee “Dividend Equivalent Rights” concurrently with the grant of any Stock Unit award, on such terms as set forth by the Committee in the Stock Unit Agreement or other applicable award agreement. Dividend Equivalent Rights shall be based on all or part of the amount of dividends declared on shares of Common Stock and shall be credited as of dividend payment dates, during the period between the date of grant (or such later date as the Committee may set) and the date the Stock Unit award expires (or such earlier date as the Committee may

set), as determined by the Administrator. Dividend Equivalent Rights shall be payable in cash or Shares, and may be subject to such conditions, as may be determined by the Administrator.

4.5 Cancellation of Restricted Stock Units.

Unless the Committee otherwise expressly provides, Restricted Stock Units that remain subject to conditions to vesting at the time of termination of employment or service or are subject to other conditions to vesting that have not been satisfied by the time specified in the applicable Award Agreement shall not vest and shall be cancelled, unless the Committee otherwise provides in or by amendment to the applicable terms of the Award.

5. OTHER PROVISIONS

5.1 Rights of Eligible Employees, Participants and Beneficiaries.

(a) Employment Status. Status as an Eligible Employee shall not be construed as a commitment that any Award will be made under this Plan to an Eligible Employee or to Eligible Employees generally.

(b) No Employment Contract. Nothing contained in this Plan (or in any other documents under this Plan or in any Award) shall confer upon any Eligible Employee or Participant any right to continue in the employ or other service of the Company, constitute any contract or agreement of employment or other service or affect an employee's status as an employee at will, nor shall interfere in any way with the right of the Company to change a person's compensation or other benefits, or to terminate his or her employment or other service, with or without cause. Nothing in this Section, however, is intended to adversely affect any express independent right of such person under a separate employment or service contract other than an Award Agreement.

(c) Plan Not Funded. Awards payable under this Plan shall be payable in shares or from the general assets of the Corporation, and (except as provided in Section 1.4(c)) no special or separate reserve, fund or deposit shall be made to assure payment of such Awards. No Participant, Beneficiary or other person shall have any right, title or interest in any fund or in any specific asset (including shares of Common Stock, except as expressly otherwise provided) of the Company by reason of any Award hereunder.

10

Neither the provisions of this Plan (or of any related documents), nor the creation or adoption of this Plan, nor any action taken pursuant to the provisions of this Plan shall create, or be construed to create, a trust of any kind or a fiduciary relationship between the Company and any Participant, Beneficiary or other person. To the extent that a Participant, Beneficiary or other person acquires a right to receive payment pursuant to any Award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Company.

5.2 Adjustments; Acceleration.

(a) Adjustments. Upon or in contemplation of any reclassification, recapitalization, stock split (including a stock split in the form of a stock dividend) or reverse stock split; any merger, combination, consolidation, or other reorganization; any spin-off, split-up, or similar extraordinary dividend distribution ("spin-off") in respect of the Common Stock (whether in the form of securities or property); any exchange of Common Stock or other securities of the Corporation, or any similar, unusual or extraordinary corporate transaction in respect of the Common Stock; or a sale of all or substantially all the assets of the Corporation as an entirety ("asset sale"); then the Committee shall, in such manner, to such extent (if any) and at such time as it deems appropriate and equitable in the circumstances:

(1) proportionately adjust any or all of (a) the number and type of shares of Common Stock (or other securities) that thereafter may be made the subject of Awards (including the specific maxima and numbers of shares set forth elsewhere in this Plan), (b) the number, amount and type of shares of Common Stock (or other securities or property) subject to any or all outstanding Awards, (c) the grant, purchase, or exercise price of any or all outstanding Awards, (d) the securities, cash or other property deliverable upon exercise of any outstanding Awards, or (e) (subject to limitations under Section 5.10(c)) the performance standards appropriate to any outstanding Awards, or

(2) make provision for a cash payment or for the assumption, substitution or exchange of any or all outstanding share-based Awards or the cash, securities or property deliverable to the holder of any or all outstanding share-based Awards, based upon the distribution or consideration payable to holders of the Common Stock upon or in respect of such event.

The Committee may adopt such valuation methodologies for outstanding Awards as it deems reasonable in the event of a cash or property settlement and, in the case of Options, but without limitation on other methodologies, may base such settlement solely upon the excess if any of the amount payable upon or in respect of such event over the exercise or strike price of the Award.

In each case, with respect to Awards of Incentive Stock Options, no adjustment shall be made in a manner that would cause the Plan to violate Section 422 or 424(a) of the Code or any successor provisions without the written consent of holders materially adversely affected thereby. Further, in each case, no adjustment shall be made to any Award that

11

would subject the holder of such Award to additional tax under Section 409A of the Code with respect to such Award.

In any of such events, the Committee may take such action prior to such event to the extent that the Committee deems the action necessary to permit the Participant to realize the benefits intended to be conveyed with respect to the underlying shares in the same manner as is or will be available to shareholders generally.

(b) Possible Early Termination of Accelerated Awards. If any Option or other right to acquire Common Stock under this Plan has been fully accelerated as required or permitted by Section 5.2(c) but is not exercised prior to (1) a dissolution of the Company, or (2) an event described in Section 5.2(a) that the Company does not survive, or (3) the consummation of an event described in Section 5.2(a) involving a Change of Control Event approved by the Board, such Option or right shall terminate, subject to any provision that has been expressly made by the Board or the Committee, through a plan of reorganization or otherwise, for the survival, substitution, assumption, exchange or other settlement of such Option or right.

(c) Acceleration of Awards Upon Change in Control. Unless prior to a Change in Control Event the Committee determines that, upon its occurrence, benefits under any or all Awards shall not be accelerated or determines that only certain or limited benefits under any or all Awards shall be accelerated and the extent to which they shall be accelerated, and/or establishes a different time in respect of such Event for such acceleration, then upon the occurrence of a Change in Control Event:

- (1) each Option shall become immediately exercisable, and
- (2) Restricted Stock shall immediately vest free of restrictions, and
- (3) Restricted Stock Units shall immediately vest free of restrictions and become payable.

The Committee may override the limitations on acceleration in this Section 5.2(c) by express provision in the Award Agreement and may accord any Eligible Employee a right to refuse any acceleration, whether pursuant to the Award Agreement or otherwise, in such circumstances as the Committee may approve. Any acceleration of Awards shall comply with applicable legal requirements and, if necessary to accomplish the purposes of the acceleration or if the circumstances require, may be deemed by the Committee to occur (subject to Section 5.2(d) a limited period of time not greater than 30 days before the event. Without limiting the generality of the foregoing, the Committee may deem an acceleration to occur immediately prior to the applicable event and/or reinstate the original terms of an Award if an event giving rise to an acceleration does not occur. Notwithstanding the foregoing, an Award shall not be accelerated and/or become payable pursuant to this Section 5(c) to the extent that such acceleration and/or payment shall cause the holder of such Award to be subjected to additional tax under Section 409A of the Code with respect to such Award.

(d) Possible Rescission of Acceleration. If the vesting of an Award has been accelerated expressly in anticipation of an event or upon shareholder approval of an

12

event and the Committee or the Board later determines that the event will not occur, the Committee may rescind the effect of the acceleration as to any then outstanding and unexercised or otherwise unvested Awards.

(e) Acceleration Upon Termination of Service Following a Change in Control.

(1) Termination After Change in Control. If any Participant's employment is terminated by the Company upon or within one year after a Change in Control Event, and the termination is not the result of death, Total Disability, Retirement or a termination for Cause, then, subject to the other provisions of this Section 5.2 (including without limitation Section 5.2(b) and Section 5.4), all outstanding Options and other Awards held by the Participant shall be deemed fully vested immediately prior to the Severance Date and Stock Units shall become payable upon such Severance Date (or, to the extent applicable under Section 409A, upon the date that is six months after such Severance Date), irrespective of the vesting and/or payment provisions of the Participant's Award Agreement, unless the Award Agreement specifies a different result in the case of a Change in Control Event.

(2) No Extension Beyond Expiration. Notwithstanding the foregoing, in no event shall an Award be reinstated or extended beyond its final expiration date.

5.3 Effect of Termination of Service on Awards.

(a) General. The Committee shall establish the effect of a termination of employment on the rights and benefits under each Award under this Plan and in so doing may make distinctions based upon the cause of termination.

(b) Events Not Deemed Terminations of Service. Unless Company policy or the Committee otherwise provides, the employment relationship shall not be considered terminated in the case of (i) sick leave, (ii) military leave, or (iii) any other leave of absence authorized by the Company or the Committee; provided that unless reemployment upon the expiration of such leave is guaranteed by contract or law, such leave is for a period of not more than 90 days. In the case of any Eligible Employee on an approved leave of absence, continued vesting of the Award while on leave from the employ of the Company shall be suspended, unless the Committee otherwise provides or applicable law otherwise requires. In no event shall an Award be exercised after the expiration of the term set forth in the Award Agreement.

(c) Effect of Change of Subsidiary Status. For purposes of this Plan and any Award, if an entity ceases to be a Subsidiary a termination of employment shall be deemed to have occurred with respect to each Eligible Employee in respect of the Subsidiary who does not continue as an Eligible Employee in respect of another entity within the Company.

13

5.4 Compliance with Laws.

This Plan, the granting and vesting of Awards under this Plan, the offer, issuance and delivery of shares of Common Stock, the acceptance of promissory notes and/or the payment of money under this Plan or under Awards are subject to compliance with all applicable federal and state laws, rules

and regulations (including but not limited to state and federal securities law and federal margin requirements) and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. The person acquiring any securities under this Plan will, if requested by the Company, provide such assurances and representations to the Company as the Committee may deem necessary or desirable to assure compliance with all applicable legal and accounting requirements.

5.5 Tax Matters.

(a) Provision for Tax Withholding or Offset. Upon any exercise, vesting, or payment of any Award or upon the disposition of shares of Common Stock acquired pursuant to the exercise of an Incentive Stock Option prior to satisfaction of the holding period requirements of Section 422 of the Code, the Company shall have the right at its option to (i) require the Participant (or Personal Representative or Beneficiary, as the case may be) to pay or provide for payment of the minimum amount of any taxes which the Company may be required to withhold with respect to such Award event or payment or (ii) deduct from any amount payable in cash the minimum amount of any taxes which the Company may be required to withhold with respect to such cash payment. In any case where a tax is required to be withheld in connection with the delivery of shares of Common Stock under this Plan, the Committee may in its sole discretion (subject to Section 5.4) grant (either at the time of the Award or thereafter) to the Participant the right to elect, pursuant to such rules and subject to such conditions as the Committee may establish, to have the Corporation reduce the number of shares to be delivered by (or otherwise reacquire) the appropriate number of shares valued at their Fair Market Value, to satisfy such minimum withholding obligation, determined in each case as of the trading day next preceding the applicable date of exercise, vesting or payment. Shares in no event shall be withheld in excess of the minimum number required for tax withholding under these provisions.

5.6 Plan Amendment, Termination and Suspension.

(a) Board Authorization. The Board may, at any time, terminate or, from time to time, amend, modify or suspend this Plan, in whole or in part. No Awards may be granted during any suspension of this Plan or after termination of this Plan, but the Committee shall retain jurisdiction as to Awards then outstanding in accordance with the terms of this Plan.

(b) Shareholder Approval. To the extent then required under Sections 162, 422 or 424 of the Code or any other applicable law, or by the provisions of Section 2.5 of the Plan, or deemed necessary or advisable by the Board, any amendment to this Plan shall be subject to shareholder approval.

(c) Amendments to Awards. Without limiting any other express authority of the Committee under (but subject to) the express limits of this Plan, the Committee by agreement or resolution may waive conditions of or limitations on Awards to Participants that the Committee in the prior exercise of its discretion has imposed,

14

without the consent of a Participant, and (subject to the requirements of Section 1.2(b)) may make other changes to the terms and conditions of Awards that do not affect in any manner materially adverse to the Participant, the Participant's rights and benefits under an Award.

(d) Limitations on Amendments to Plan and Awards. No amendment, suspension or termination of this Plan or change of or affecting any outstanding Award shall, without written consent of the Participant, affect in any manner materially adverse to the Participant any rights or benefits of the Participant or obligations of the Company under any Award granted under this Plan prior to the effective date of such change. Changes contemplated by Section 5.2 shall not be deemed to constitute changes or amendments for purposes of this Section 5.6.

5.7 Privileges of Stock Ownership.

Except as otherwise expressly authorized by the Committee or this Plan, a Participant shall not be entitled to any privilege of stock ownership as to any shares of Common Stock not actually delivered to and held of record by the Participant. No adjustment will be made for dividends or other rights as a shareholder for which a record date is prior to such date of delivery.

5.8 Effective Date of the Plan.

This Plan is effective as of January 27, 2000 the date of approval by the Board. The Plan shall be submitted for and subject to shareholder approval.

5.9 Term of the Plan.

No Award will be granted under this Plan after January 26, 2010 (the "termination date"). Unless otherwise expressly provided in this Plan or in an applicable Award Agreement, any Award granted prior to the termination date may extend beyond such date, and all authority of the Committee with respect to Awards hereunder, including the authority to amend an Award, shall continue during any suspension of this Plan and in respect of Awards outstanding on the termination date.

5.10 Governing Law/Construction/Severability.

(a) Choice of Law. This Plan, the Awards, all documents evidencing Awards and all other related documents shall be governed by, and construed in accordance with the laws of the State of California.

(b) Severability. If a court of competent jurisdiction holds any provision invalid and unenforceable, the remaining provisions of this Plan shall continue in effect.

15

(c) Plan Construction.

(1) Rule 16b-3. It is the intent of the Corporation that the Awards and transactions permitted by Awards be interpreted in a manner that, in the case of Participants who are or may be subject to Section 16 of the Exchange Act, satisfies the applicable requirements for exemptions under Rule 16b-3. The exemption will not be available if the authorization of actions by any Committee of the Board with respect to such Awards does not satisfy the applicable conditions of Rule 16b-3. Notwithstanding the foregoing, the Corporation shall have no liability to any Participant for Section 16 consequences of Awards or events under Awards.

(2) Section 162(m). It is the further intent of the Company that (to the extent the Company or Awards under this Plan may be or become subject to limitations on deductibility under Section 162(m) of the Code), Options granted with an exercise or base price not less than Fair Market Value on the date of grant will qualify as performance-based compensation or otherwise be exempt from deductibility limitations under Section 162(m) of the Code, to the extent that the authorization of the Award (or the payment thereof, as the case may be) satisfies any applicable administrative requirements thereof.

5.11 Captions.

Captions and headings are given to the sections and subsections of this Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of this Plan or any provision thereof.

5.12 Stock-Based Awards in Substitution for Stock Options or Awards Granted by Other Corporation.

Awards may be granted to Eligible Employees under this Plan in substitution for employee stock options, stock appreciation rights, restricted stock or other stock-based awards granted by other entities to persons who are or who will become Eligible Employees in respect of the Company, in connection with a distribution, merger or other reorganization by or with the granting entity or an affiliated entity, or the acquisition by the Company, directly or indirectly, or all or a substantial part of the stock or assets of the employing entity.

5.13 Non-Exclusivity of Plan.

Nothing in this Plan shall limit or be deemed to limit the authority of the Board or the Committee to grant awards or authorize any other compensation, with or without reference to the Common Stock, under any other plan or authority.

5.14 No Corporate Action Restriction.

The existence of the Plan, the Award Agreements and the Awards granted hereunder shall not limit, affect or restrict in any way the right or power of the Board or the shareholders of the Corporation to make or authorize: (a) any adjustment,

recapitalization, reorganization or other change in the Corporation's or any Subsidiary's capital structure or its business, (b) any merger, amalgamation, consolidation or change in the ownership of the Corporation or any subsidiary, (c) any issue of bonds, debentures, capital, preferred or prior preference stock ahead of or affecting the Corporation's or any Subsidiary's capital stock or the rights thereof, (d) any dissolution or liquidation of the Corporation or any Subsidiary, (e) any sale or transfer of all or any part of the Corporation or any Subsidiary's assets or business, or (f) any other corporate act or proceeding by the Corporation or any Subsidiary. No participant, beneficiary or any other person shall have any claim under any Award or Award Agreement against any member of the Board or the Committee, or the Corporation or any employees, officers or agents of the Corporation or any Subsidiary, as a result of any such action.

5.15 Other Company Benefit and Compensation Program.

Payments and other benefits received by a Participant under an Award made pursuant to this Plan shall not be deemed a part of a Participant's compensation for purposes of the determination of benefits under any other employee welfare or benefit plans or arrangements, if any, provided by the Corporation or any Subsidiary, except where the Committee or the Board expressly otherwise provides or authorizes in writing. Awards under this Plan may be made in addition to, in combination with, as alternatives to or in payment of grants, awards or commitments under any other plans or arrangements of the Company or the Subsidiaries.
